1 Any party state or subdivision thereof desiring to make or participate in an audit of any 2. 2 accounts, books, papers, records, or other documents may request the commission to 3 perform the audit on its behalf. In responding to the request, the commission shall 4 have access to and may examine, at any reasonable time, such accounts, books, 5 papers, records, and other documents and any relevant property or stock of 6 merchandise. The commission may enter into agreements with party states or their 7 subdivisions for assistance in performance of the audit. The commission shall make 8 charges, to be paid by the state or local government or governments for which it 9 performs the service, for any audits performed by it in order to reimburse itself for the 10 actual costs incurred in making the audit.

- The commission may require the attendance of any person within the state where it is
 conducting an audit or part thereof at a time and place fixed by it within such state for
 the purpose of giving testimony with respect to any account, book, paper, document,
 other record, property, or stock of merchandise being examined in connection with the
 audit. If the person is not within the jurisdiction, the person may be required to attend
 for such purpose at any time and place fixed by the commission within the state of
 which the person is a resident; provided, that such state has adopted this article.
- 18 4. The commission may apply to any court having power to issue compulsory process for 19 orders in aid of its powers and responsibilities pursuant to this article and any and all 20 such courts shall have jurisdiction to issue such orders. Failure of any person to obey 21 any such order shall be punishable as contempt of the issuing court. If the party or 22 subject matter on account of which the commission seeks an order is within the 23 jurisdiction of the court to which application is made, such application may be to a 24 court in the state or subdivision on behalf of which the audit is being made or a court in 25 the state in which the object of the order being sought is situated. The provisions of 26 this subsection apply only to courts in a state that has adopted this article.
- 5. The commission may decline to perform any audit requested if it finds that its available
 personnel or other resources are insufficient for the purpose or that, in the terms
 requested, the audit is impracticable of satisfactory performance. If the commission,
 on the basis of its experience, has reason to believe that an audit of a particular
 taxpayer, either at a particular time or on a particular schedule, would be of interest to

1		a number of party states or their subdivisions, it may offer to make the audit or audits,
2		the offer to be contingent on sufficient participation therein as determined by the
3		commission.
4	6.	Information obtained by any audit pursuant to this article shall be confidential and
5		available only for tax purposes to party states, their subdivisions, or the United States.
6		Availability of information shall be in accordance with the laws of the states or
7		subdivisions on whose account the commission performs the audit, and only through
8		the appropriate agencies or officers of such states or subdivisions. Nothing in this
9		article shall be construed to require any taxpayer to keep records for any period not
10		otherwise required by law.
11	7.	Other arrangements made or authorized pursuant to law for cooperative audit by or on
12		behalf of the party states or any of their subdivisions are not superseded or invalidated
13		by this article.
14	8.	In no event shall the commission make any charge against a taxpayer for an audit.
15	9.	As used in this article, "tax", in addition to the meaning ascribed to it in article II,
16		means any tax or license fee imposed in whole or in part for revenue purposes.
17		ARTICLE IX - ARBITRATION
18	1.	Whenever the commission finds a need for settling disputes concerning
19		apportionments and allocations by arbitration, it may adopt a regulation placing this-
20		article in effect, notwithstanding the provisions of article VII.
21	2.	The commission shall select and maintain an arbitration panel composed of officers
22		and employees of state and local governments and private persons who shall be
23		knowledgeable and experienced in matters of tax law and administration.
24	3.	Whenever a taxpayer who has elected to employ article IV, or whenever the laws of
25		the party state or subdivision thereof are substantially identical with the relevant-
26		provisions of article IV, the taxpayer, by written notice to the commission and to each
27		party state or subdivision thereof that would be affected, may secure arbitration of an
28		apportionment or allocation, if the taxpayer is dissatisfied with the final administrative-
29		determination of the tax agency of the state or subdivision with respect thereto on the-
30		ground that it would subject the taxpayer to double or multiple taxation by two or more-

1		party states or subdivisions thereof. Each party state and subdivision thereof hereby-
2		consents to the arbitration as provided herein, and agrees to be bound thereby.
3	4.	The arbitration board shall be composed of one person selected by the taxpayer, one-
4		by the agency or agencies involved, and one member of the commission's arbitration
5		panel. If the agencies involved are unable to agree on the person to be selected by
6		them, such person shall be selected by lot from the total membership of the arbitration
7		panel. The two persons selected for the board in the manner provided by the foregoing-
8		provisions of this subsection shall jointly select the third member of the board. If they
9		are unable to agree on the selection, the third member shall be selected by lot from-
10		among the total membership of the arbitration panel. No member of a board selected
11		by lot shall be qualified to serve if that member is an officer or employee or is-
12		otherwise affiliated with any party to the arbitration proceeding. Residence within the
13		jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within
14		the meaning of this subsection.
15	<u> </u>	The board may sit in any state or subdivision party to the proceeding, in the state of
16		the taxpayer's incorporation, residence, or domicile, in any state where the taxpayer
17		does business, or in any place that it finds most appropriate for gaining access to-
18		evidence relevant to the matter before it.
19	<u> </u>	The board shall give due notice of the times and places of its hearings. The parties
20		shall be entitled to be heard, to present evidence, and to examine and cross-examine-
21		witnesses. The board shall act by majority vote.
22	7.	The board shall have power to administer oaths, take testimony, subpoena, and
23		require the attendance of witnesses and the production of accounts, books, papers,
24		records, and other documents, and issue commissions to take testimony. Subpoenas
25		may be signed by any member of the board. In case of failure to obey a subpoena,
26		and upon application by the board, any judge of a court of competent jurisdiction of the
27		state in which the board is sitting or in which the person to whom the subpoena is-
28		directed may be found may make an order requiring compliance with the subpoena,
29		and the court may punish failure to obey the order as a contempt. The provisions of
30		this subsection apply only in states that have adopted this article.

1	<u> </u>	Unless the parties otherwise agree the expenses and other costs of the arbitration
2		shall be assessed and allocated among the parties by the board in such manner as it
3		may determine. The commission shall fix a schedule of compensation for members of
4		arbitration boards and of other allowable expenses and costs. No officer or employee
5		of a state or local government who serves as a member of a board shall be entitled to-
6		compensation therefor unless that person is required on account of that person's-
7		service to forego the regular compensation attaching to that person's public
8		employment, but any such board member shall be entitled to expenses.
9	9 .	The board shall determine the disputed apportionment or allocation and any matters
10		necessary thereto. The determinations of the board shall be final for purposes of
11		making the apportionment or allocation, but for no other purpose.
12	<u> </u>	The board shall file with the commission and with each tax agency represented in the
13		proceeding: the determination of the board; the board's written statement of its-
14		reasons therefor; the record of the board's proceedings; and any other documents
15		required by the arbitration rules of the commission to be filed.
16	<u> </u>	The commission shall publish the determinations of boards together with the
17		statements of the reasons therefor.
18	<u> 12.</u>	The commission shall adopt and publish rules of procedure and practice and shall file
19		a copy of such rules and of any amendment thereto with the appropriate agency or-
20		officer in each of the party states.
21	13 .	Nothing contained herein shall prevent at any time a written compromise of any matter
22		or matters in dispute, if otherwise lawful, by the parties to the arbitration proceeding.
23		ARTICLE XVII - ENTRY INTO FORCE AND WITHDRAWAL
24	1.	This compact shall enter into force when enacted into law by any seven states.
25		Thereafter, this compact shall become effective as to any other state upon its
26		enactment thereof. The commission shall arrange for notification of all party states
27		whenever there is a new enactment of the compact.
28	2.	Any party state may withdraw from this compact by enacting a statute repealing the
29		same. No withdrawal shall affect any liability already incurred by or chargeable to a
30		party state prior to the time of such withdrawal.

1	3.	No proceeding commenced before an arbitration board prior to the withdrawal of a	
2		state and to which the withdrawing state or any subdivision thereof is a party shall be	
3		discontinued or terminated by the withdrawal, nor shall the board thereby lose-	
4		jurisdiction over any of the parties to the proceeding necessary to make a binding	
5		determination therein.	
6		ARTICLE XIVIII - EFFECT ON OTHER LAWS AND JURISDICTION	
7	Not	hing in this compact shall be construed to:	
8	1.	Affect the power of any state or subdivision thereof to fix rates of taxation, except that	
9		a party state shall be obligated to implement subsection 2 of article III of this compact.	
10	2.	Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax	
11		on motor fuel, other than a sales tax; provided, that the definition of "tax" in	
12		subsection 9 of article VIIIVI may apply for the purposes of that article and the	
13		commission's powers of study and recommendation pursuant to subsection 3 of	
14		article VI IV may apply.	
15	3.	Withdraw or limit the jurisdiction of any state or local court or administrative officer or	
16		body with respect to any person, corporation, limited liability company, or other entity	
17		or subject matter, except to the extent that such jurisdiction is expressly conferred by	
18		or pursuant to this compact upon another agency or body.	
19	4.	Supersede or limit the jurisdiction of any court of the United States.	
20		ARTICLE XIIIX - CONSTRUCTION AND SEVERABILITY	
21	This	s compact shall be liberally construed so as to effectuate the purposes thereof. The	
22	provisio	ns of this compact shall be severable and if any phrase, clause, sentence, or provision	
23	of this c	ompact is declared to be contrary to the constitution of any state or of the United States	
24	or the a	pplicability thereof to any government, agency, person, or circumstance is held invalid,	
25	the valio	lity of the remainder of this compact and the applicability thereof to any government,	
26	agency, person, or circumstance shall not be affected thereby. If this compact shall be held		
27	contrary to the constitution of any state participating therein, the compact shall remain in full		
28	force an	d effect as to the remaining party states and in full force and effect as to the state	
29	affected	as to all severable matters.
