POINT OF PERSONAL PRIVILEGE

REP. LARSON rose on a point of personal privilege.

REMARKS OF REPRESENTATIVE LARSON

MR. SPEAKER: On Saturday January 17th the state level of robotics First Tech Competition (FTC) was held at the BSC Career Academy. At this competition the Shiloh Christian School's Skyhawk Robotics team, with Bismarck's team as alliance partner, won first place, and will advance on to super regionals. Last year was Shiloh's first year in robotics, and they were the first team ever from North Dakota to advance to the world's competition.

First Tech Competition is a great promoter of the states STEM education program, and several people that have participated in FTC have gone into STEM fields.

As a grandparent of one of the members on the Shiloh robotics team it is my honor to recognize and applaud not only Shiloh's team with their outstanding progress in such a short time, but the FTC as a whole, for promoting the states STEM education program and the exciting robotics competition.

Mr. Speaker, I'd like to add that my grandson, Alex Delzer, wrote this speech.

REQUEST
