POINT OF PERSONAL PRIVILEGE

REP. LOUSER rose on a point of personal privilege.

REMARKS OF REPRESENTATIVE LOUSER

MR. SPEAKER: Members of the Assembly:

This past weekend while we were able to enjoy a bit of a break at cross-over, the high school hockey tournament was held in Fargo where eight schools with varied histories took to the ice to compete for the title of state champion.

As a proud member of the Minot Hockey Board and graduate of Minot High School, it gives me great pleasure to recognize the Minot High School Magicians as the 2015 state champions. The journey to only our second state title, and first in 23 years, is quite impressive. The Magi entered the tournament as the number three seed from the West Region. The stars literally lined up, beginning with senior Matt Flom. We've all heard of the hockey term "hat trick" which is three goals in a game. Well, you heard it here first, Minot can now claim the Matt-Trick...as Flom scored the game winning goal in all three tournament games. We know there's no "I" in team, but there's ultimate Effort in "Effertz" as goalie Brey Effertz stopped nearly 100 shots in the tournament including 37 in the title game, earning him tournament MVP honors. Flom, Effertz and defenseman Sage Bessette earned all-tournament honors, and first year co-coaches Jason Bennett and John Grubb earned Coach of the Year honors.

While it's my hope to be able to recognize more Minot High titles in the coming weeks and it is not my intention to not recognize the girls gymnastics state champions from Minot High, their thirteenth title, now is the time for our hockey program to stand proud. In defeating

Grand Forks Central, the most storied high school hockey program in all of America, you now have the answer to Why Not Minot...and that is Winning is a Magician Tradition!

Congratulations to not just the athletes, but the whole program, and to all wearing the Magi maroon and gold, there are three words left to say: "Loyal and True"... Go Magi!
