17 added to the allocations to school districts under subdivision b of subsection 5;

18 as follows:

- 19 (1) To each county that received more than five million dollars but not  
20 exceeding ten million dollars of total allocations under subsection 2 in the  
21 most recently completed even-numbered fiscal year, the state treasurer  
22 shall allocate a monthly amount that will provide a total allocation of one  
23 million five hundred thousand dollars per fiscal year. The allocation must be  
24 distributed to school districts within the county pursuant to subdivision b of  
25 subsection 5.
- 26 (2) To each county that received more than ten million dollars but not exceeding  
27 fifteen million dollars of total allocations under subsection 2 in the most  
28 recently completed even-numbered fiscal year, the state treasurer shall  
29 allocate a monthly amount that will provide a total allocation of one million  
30 two hundred fifty thousand dollars per fiscal year. The allocation must be

1 distributed to school districts within the county pursuant to subdivision b of  
2 subsection 5.

3 (3) To each county that received more than fifteen million dollars but not  
4 exceeding twenty million dollars of total allocations under subsection 2 in  
5 the most recently completed even-numbered fiscal year, the state treasurer  
6 shall allocate a monthly amount that will provide a total allocation of one  
7 million dollars per fiscal year. The allocation must be distributed to school  
8 districts within the county pursuant to subdivision b of subsection 5.

9 (4) To each county that received more than twenty million dollars but not  
10 exceeding twenty-five million dollars of total allocations under subsection 2  
11 in the most recently completed even-numbered fiscal year, the state  
12 treasurer shall allocate a monthly amount that will provide a total allocation  
13 of seven hundred fifty thousand dollars per fiscal year. The allocation must  
14 be distributed to school districts within the county pursuant to subdivision b  
15 of subsection 5.

16 (5) To each county that received more than twenty-five million dollars but not  
17 exceeding thirty million dollars of total allocations under subsection 2 in the  
18 most recently completed even-numbered fiscal year, the state treasurer  
19 shall allocate a monthly amount that will provide a total allocation of five  
20 hundred thousand dollars per fiscal year. The allocation must distributed to  
21 school districts within the county pursuant to subdivision b of subsection 5.

22 e. ~~Credit revenues to the oil and gas impact grant fund, but not in an amount~~  
23 ~~exceeding one hundred forty million dollars per biennium for the 2015-17-~~  
24 ~~biennium, and not in an amount exceeding one hundred million dollars per~~  
25 ~~biennium thereafter;~~

26 f. ~~Credit~~The state treasurer shall allocate eight percent of the amount available  
27 under this subsection to the North Dakota outdoor heritage fund, but not in an  
28 amount exceeding twenty million dollars in a state fiscal year and not in an  
29 amount exceeding fortyten million dollars per biennium;. For purposes of this  
30 subdivision, "biennium" means the period beginning September 1 of each

1                   odd-numbered calendar year and ending August 31 of the following  
2                   odd-numbered calendar year.

3           g-f. ~~Credit~~The state treasurer shall allocate four percent of the amount available  
4                   under this subsection to the abandoned oil and gas well plugging and site  
5                   reclamation fund, but not in an amount exceeding ~~seven million five hundred-~~  
6                   ~~thousand~~five million dollars ~~in a state~~per fiscal year and not in an amount that  
7                   would bring the balance in the fund to more than one hundred million dollars;  
8                   and.

9           g. For the period beginning September 1, 2017, and ending August 31, 2019, the  
10                  state treasurer shall allocate the remaining revenues in the following order:

11                  (1) Up to sixty million dollars to the oil and gas impact grant fund.

12                  (2) Any remaining revenues under subsection 3.

13           h. ~~Allocate~~After August 31, 2019, the state treasurer shall allocate the remaining  
14                  revenues under subsection 3.

15           i. For purposes of this subsection, "fiscal year" means the period beginning  
16                  September 1 and ending August 31 of the following calendar year.

17           2. After deduction of the amount provided in subsection 1, annual revenue collected  
18                  under this chapter from oil and gas produced in each county must be allocated as  
19                  follows:

20                  a. The first five million dollars is allocated to the county.

21                  b. Of all annual revenue exceeding five million dollars, thirty percent is allocated to  
22                  the county.

23           3. After the allocations under subsections 1 and 2, the amount remaining is allocated first  
24                  to provide for deposit of thirty percent of all revenue collected under this chapter in the  
25                  legacy fund as provided in section 26 of article X of the Constitution of North Dakota  
26                  and the remainder must be allocated to the state general fund. If the amount available  
27                  for a monthly allocation under this subsection is insufficient to deposit thirty percent of  
28                  all revenue collected under this chapter in the legacy fund, the state treasurer shall  
29                  transfer the amount of the shortfall from the state general fund share of oil extraction  
30                  tax collections and deposit that amount in the legacy fund.

- 1           4. For a county that received less than five million dollars of allocations under  
2           subsection 2 in statethe most recently completed even-numbered fiscal year 2014,  
3           revenues allocated to that county must be distributed at least quarterly by the state  
4           treasurer as follows:
- 5           a. Forty-five percent must be distributed to the county treasurer and credited to the  
6           county general fund. However, the distribution to a county under this subdivision  
7           must be credited to the state general fund if in a taxable year after 2012 the  
8           county is not levying a total of at least ten mills for combined levies for county  
9           road and bridge, farm-to-market and federal aid road, and county road purposes.
- 10          b. Thirty-five percent must be distributed to school districts within the county on the  
11          average daily attendance distribution basis for kindergarten through grade twelve  
12          students residing within the county, as certified to the state treasurer by the  
13          county superintendent of schools. However, a hub city school district must be  
14          omitted from distributions under this subdivision.
- 15          c. Twenty percent must be distributed to the incorporated cities of the county. A hub  
16          city must be omitted from distributions under this subdivision. Distributions  
17          among cities under this subsection must be based upon the population of each  
18          incorporated city according to the last official decennial federal census. In  
19          determining the population of any city in which total employment increases by  
20          more than two hundred percent seasonally due to tourism, the population of that  
21          city for purposes of this subdivision must be increased by eight hundred percent.
- 22          d. For purposes of this subsection, "fiscal year" means the period beginning  
23          September 1 and ending August 31 of the following calendar year.
- 24          5. For a county that received five million dollars or more of allocations under subsection 2  
25          in statethe most recently completed even-numbered fiscal year 2014, revenues  
26          allocated to that county must be distributed at least quarterly by the state treasurer as  
27          follows:
- 28          a. Sixty percent must be distributed to the county treasurer and credited to the  
29          county general fund. However, the distribution to a county under this subdivision  
30          must be credited to the state general fund if in a taxable year after 2012 the

- 1 county is not levying a total of at least ten mills for combined levies for county  
2 road and bridge, farm-to-market and federal aid road, and county road purposes.
- 3 b. Five percent must be distributed to school districts within the county on the  
4 average daily attendance distribution basis for kindergarten through grade twelve  
5 students residing within the county, as certified to the state treasurer by the  
6 county superintendent of schools. However, a hub city school district must be  
7 omitted from distributions under this subdivision.
- 8 c. Twenty percent must be distributed to the incorporated cities of the county. A hub  
9 city must be omitted from distributions under this subdivision. Distributions  
10 among cities under this subsection must be based upon the population of each  
11 incorporated city according to the last official decennial federal census. In  
12 determining the population of any city in which total employment increases by  
13 more than two hundred percent seasonally due to tourism, the population of that  
14 city for purposes of this subdivision must be increased by eight hundred percent.
- 15 d. Three percent must be allocated among the organized and unorganized  
16 townships of the county. The state treasurer shall allocate the funds available  
17 under this subdivision among townships in proportion to each township's road  
18 miles relative to the total township road miles in the county. The amount allocated  
19 to unorganized townships under this subdivision must be distributed to the county  
20 treasurer and credited to a special fund for unorganized township roads, which  
21 the board of county commissioners shall use for the maintenance and  
22 improvement of roads in unorganized townships.
- 23 e. Three percent must be allocated among the organized and unorganized  
24 townships in all the counties that received five million dollars or more of  
25 allocations under subsection 2 in the most recently completed  
26 state even-numbered fiscal year. The amount available under this subdivision  
27 must be allocated by the state treasurer in an equal amount to each eligible  
28 organized and unorganized township. The amount allocated to unorganized  
29 townships under this subdivision must be distributed to the county treasurer and  
30 credited to a special fund for unorganized township roads, which the board of

1 county commissioners shall use for the maintenance and improvement of roads  
2 in unorganized townships.

3 f. Nine percent must be distributed among hub cities. Sixty percent of funds  
4 available under this subdivision must be distributed to the hub city receiving the  
5 highest percentage of allocations to hub cities under subdivision a of  
6 subsection 1 for the quarterly period, thirty percent of funds available under this  
7 subdivision must be distributed to the hub city receiving the second highest  
8 percentage of such allocations, and ten percent of funds available under this  
9 subdivision must be distributed to the hub city receiving the third highest  
10 percentage of such allocations. Hub cities, which are located in a county that did  
11 not receive an allocation under subsection 2 in the most recently completed  
12 even-numbered fiscal year, must be excluded from the allocations under this  
13 subsection. If fewer than three hub cities are eligible for the allocations under this  
14 subdivision, the state treasurer shall allocate the available funds in proportion to  
15 the amounts the eligible hub cities received under subdivision a of subsection 1.

16 g. For purposes of this subsection, "fiscal year" means the period beginning  
17 September 1 and ending August 31 of the following calendar year.

18 6. Within thirty days after the end of each calendar year, the board of county  
19 commissioners of each county that has received an allocation under this section shall  
20 file a report for the calendar year with the commissioner, in a format prescribed by the  
21 commissioner, including:

- 22 a. The county's statement of revenues and expenditures;  
23 b. The county's ending fund balances;  
24 c. The amounts allocated under this section to the county's general fund, the  
25 amounts expended from these allocations, and the purposes of the expenditures;  
26 and  
27 d. The amounts allocated under this section to or for the benefit of townships within  
28 the county, the amounts expended from these allocations, and the purposes of  
29 the expenditures.

1           Within fifteen days after the time when reports under this subsection are due, the  
2           commissioner shall provide the reports to the legislative council compiling the  
3           information from reports received under this subsection.

4           7.   Within thirty days after the end of each fiscal year ended June thirtieth, each school  
5           district that has received an allocation under this section shall file a report for the fiscal  
6           year ended June thirtieth with the commissioner, in a format prescribed by the  
7           commissioner, including:

8           a.   The school district's statement of revenue and expenditures;

9           b.   The school district's ending fund balances; and

10          c.   The amounts allocated under this section to the school district, the amounts  
11              expended from these allocations, and the purposes of the expenditures.

12          Within fifteen days after the time when reports under this subsection are due, the  
13          commissioner shall provide the reports to the legislative council compiling the  
14          information from reports received under this subsection.

15           **SECTION 3. APPROPRIATION - OIL AND GAS IMPACT GRANT FUND - EXEMPTION -**

16   **REPORT TO THE APPROPRIATIONS COMMITTEES.** There is appropriated out of any  
17   moneys in the oil and gas impact grant fund in the state treasury, not otherwise appropriated,  
18   the sum of \$59,300,000, or so much of the sum as may be necessary, to the board of university  
19   and school lands for the purpose of providing oil and gas impact grants, for the biennium  
20   beginning July 1, 2017, and ending June 30, 2019. Grants awarded under this section are not  
21   subject to section 54-44.1-11. The commissioner of the board of university and school lands  
22   shall report to the appropriations committees of the sixty-sixth legislative assembly on the use of  
23   the funding provided in this section, including the amounts awarded, the amounts spent to date,  
24   and the amounts anticipated to be continued into the 2019-21 biennium.

25           **SECTION 4. LEGISLATIVE INTENT - OIL AND GAS IMPACT GRANTS.** It is the intent of

26   the sixty-fifth legislative assembly that any designations for grants from the oil and gas impact  
27   grant fund as identified in section 39 of chapter 49, section 2 of chapter 375, and section 5 of  
28   chapter 463 of the 2015 Session Laws, which were not met during the biennium beginning  
29   July 1, 2015, and ending June 30, 2017, continue during the biennium beginning July 1, 2017,  
30   and ending June 30, 2019. It is further the intent of the sixty-fifth legislative assembly that the  
31   appropriation from the oil and gas impact grant fund to the board of university and school lands

1 in section 3 of this Act is available first to complete any designations for grants, which were not  
2 met during the biennium beginning July 1, 2015, and ending June 30, 2017, and then, from any  
3 remaining funds, to provide other grants without specific designations to political subdivisions  
4 impacted by oil and gas development activity during the biennium beginning July 1, 2017, and  
5 ending June 30, 2019.

6 **SECTION 5. EFFECTIVE DATE.** Sections 1 and 2 of this Act are effective for taxable  
7 events occurring after June 30, 2017.
