MOTION

REP. VIGESAA MOVED that Engrossed SB 2123, which is on the Sixth order, be rereferred to the **Transportation Committee**, which motion prevailed. Pursuant to Rep. Vigesaa's motion, Engrossed SB 2123 was rereferred.

MOTION

REP. VIGESAA MOVED that a committee of two be appointed to escort Lieutenant Commander Joel Holwitt, United States Navy, Executive Officer of the USS North Dakota, to the podium, which motion prevailed on a voice vote.

SPEAKER BELLEW APPOINTED Reps. Dennis Johnson and Andy Maragos to the escort committee.

SGT-AT-ARMS presented United States Navy Lieutenant Commander and Executive Officer, Joel Holwitt and the escort committee.

Joel Holwitt**United States Navy Lieutenant Commander and Executive Officer**

Speaker Bellew; Majority Leader Carlson; Minority Leader Mock and Members of the House of Representatives: I am Lieutenant Commander Joel Holwitt and I serve as the Executive Officer of the USS North Dakota.

I bring you greetings from our Commanding Officer, Commander Michael P. Hollenbach and the entire crew of your submarine, USS NORTH DAKOTA. We are all very honored to serve on board USS NORTH DAKOTA and to be linked to such a wonderful state.

Presenting this report on the current status of your warship is a tremendous honor for myself and for my shipmates. Thank you for this incredible opportunity and experience. This is my second opportunity to visit your wonderful state. Twenty years ago, I spent a terrific week in Fargo for a national high school classical language competition. Even though I grew up in Texas, the very first time I ever spent in a basement waiting out a tornado was that week in Fargo; it sure was a memorable experience! I could never have imagined that twenty years later I would serve aboard the most advanced submarine in the world, named for this great state.

On USS NORTH DAKOTA, we know we are very fortunate to have such dedicated and willing supporters from our namesake state. Your support as legislators, the tireless work of the people of North Dakota, and the continuing involvement of the USS NORTH DAKOTA Committee have truly shown that no other U.S. Navy Ship has the terrific namesake state support that we do! Commander Hollenbach and our entire crew very much appreciate all

you have done for us.

Only nine months after USS NORTH DAKOTA was commissioned in October 2014, the Navy picked your boat to undertake a special mission that no previous American submarine had performed. Deploying across the world to the United States European Command, USS NORTH DAKOTA proved the ability to employ unmanned undersea vehicles in practical scenarios and to execute incredibly complex undersea surveillance and mapping missions requiring coordination with multiple Naval Special Warfare units. With superior tactics and mission planning, NORTH DAKOTA conducted operations of extraordinary value to national security in a challenging undersea environment. Because your boat continually exceeded all operational requirements, demonstrating uncommon focus in operations and pioneering the employment of future capabilities in support of national objectives, the Secretary of the Navy awarded your boat a Meritorious Unit Commendation, an honor rarely earned by a submarine in the first year in commission.

Over the next few months, USS NORTH DAKOTA and our crew will execute a detailed test program for every weapons system in your boat in order to certify their readiness for combat. This is important not just for your boat, but for many other submarines that are incorporating NORTH DAKOTA's advanced systems. We will even live fire two Tomahawk missiles in the first ever test launch of the VIRGINIA Payload Tube Missile system. NORTH DAKOTA's two payload tubes, located in the bow of the submarine, are affectionately referred to as our "six shooters" because they hold six missiles each and are featured prominently on the submarine's crest. The rest of our testing will feature a large number of exercise torpedo shots, as well as an array of intelligence gathering and sonar missions in very challenging environments. Our crew is working tirelessly to execute these complex certifications and prepare for the boat's next deployment, currently scheduled for next year.

Through you and the great people of NORTH DAKOTA, your boat will continue to draw strength from the soil. We will continue to cherish our strong connection to you and all the people of this wonderful state. Be assured that every Sailor who serves in USS NORTH DAKOTA for the next 30 years will be inspired by your continuing support and patriotism.

Thank you.

REQUEST

REP. VIGESAA REQUESTED that the remarks of Navy Lieutenant Commander Joel Holwitt be printed in the Journal, which request was granted on a voice vote.
