8 1. The governing body of a city may, and upon receipt of a petition signed by at least ten
9 qualified electors but not less than five percent of those qualified electors who voted at

14 prior to the date of the election. The ballot measure question to approve a levy under
15 this section must be stated to ask if the elector approves a voter-approved tax by the
16 city for a public recreation system in a stated number of mills, not exceeding six mills.
17 If approved by a majority of city electors voting on the question, the city may levy an

2 voters, at a regular or special election, by a majority vote on the proposition, decide to
3 discontinue the levy. A vote of the qualified electors is not required to discontinue the
4 levy under this section if the levy authority is no longer required as a result of a merger
5 between a park district and a city public recreation system.
