11           offender or an attempted felonious sexual offender, including juvenile delinquent  
12           adjudications of equivalent offenses unless the offense is listed in subdivision c.
- 13           b. Has pled guilty or nolo contendere to, or been found guilty as a sexual offender  
14           for, a misdemeanor or attempted misdemeanor. The court may deviate from  
15           requiring an individual to register if the court first finds the individual is no more  
16           than three years older than the victim if the victim is a minor, the individual has  
17           not previously been convicted as a sexual offender or of a crime against a child,  
18           and the individual did not exhibit mental abnormality or predatory conduct in the

31           court first finds the individual has not previously been convicted as a sexual

- 1                   offender or for a crime against a child, and the individual did not exhibit mental  
2                   abnormality or predatory conduct in the commission of the offense.
- 3           e.   Has pled guilty or nolo contendere, been found guilty, or been adjudicated  
4                   delinquent of any crime against another individual which is not otherwise  
5                   specified in this section if the court determines that registration is warranted by  
6                   the nature of the crime and therefore orders registration for the individual. If the  
7                   court orders an individual to register as an offender under this section, the  
8                   individual shall comply with all of the registration requirements in this chapter.
- 9           3.   If a court has not ordered an individual to register in this state, an individual who  
10               resides, is homeless, or is temporarily domiciled in this state shall register if the  
11               individual:
- 12               a.   Is incarcerated or is on probation or parole after July 31, 1995, for a crime  
13                   against a child described in section 12.1-29-02, or section 12.1-18-01 or  
14                   12.1-18-02 if the individual was not the parent of the victim, or as a sexual  
15                   offender;
- 16               b.   Has pled guilty or nolo contendere to, or been adjudicated for or found guilty of,  
17                   an offense in a court of this state for which registration is mandatory under this  
18                   section or an offense from another court in the United States, a tribal court, or  
19                   court of another country equivalent to those offenses set forth in this section; or
- 20               c.   Has pled guilty or nolo contendere to, or has been found guilty of, a crime against  
21                   a child or as a sexual offender for which registration is mandatory under this  
22                   section if the conviction occurred after July 31, 1985.
- 23           4.   In its consideration of mental abnormality or predatory conduct, the court shall  
24               consider the age of the offender, the age of the victim, the difference in ages of the  
25               victim and offender, the circumstances and motive of the crime, the relationship of the  
26               victim and offender, and the mental state of the offender. The court may order an  
27               offender to be evaluated by a qualified counselor, psychologist, or physician before  
28               sentencing. Except as provided under subdivision e of subsection 2, the court shall  
29               state on the record in open court its affirmative finding for not requiring an offender to  
30               register.

- 1           5.    When an individual is required to register under this section, the official in charge of a  
2           facility or institution where the individual required to register is confined, or the  
3           department, shall, before the discharge, parole, or release of that individual, inform the  
4           individual of the duty to register pursuant to this section. The official or the department  
5           shall require the individual to read and sign a form as required by the attorney general,  
6           stating that the duty of the individual to register has been explained to that individual.  
7           The official in charge of the place of confinement, or the department, shall obtain the  
8           address where the individual expects to reside, attend school, or work upon discharge,  
9           parole, or release and shall report the address to the attorney general. The official in  
10          charge of the place of confinement, or the department, shall give three copies of the  
11          form to the individual and shall send three copies to the attorney general no later than  
12          forty-five days before the scheduled release of that individual. The attorney general  
13          shall forward one copy to the law enforcement agency having jurisdiction where the  
14          individual expects to reside, attend school, or work upon discharge, parole, or release,  
15          one copy to the prosecutor who prosecuted the individual, and one copy to the court in  
16          which the individual was prosecuted. All forms must be transmitted and received by  
17          the law enforcement agency, prosecutor, and court thirty days before the discharge,  
18          parole, or release of the individual.
- 19          6.    An individual who is required to register pursuant to this section who is released on  
20          probation or discharged upon payment of a fine must, before the release or discharge,  
21          be informed of the duty to register under this section by the court in which that  
22          individual is convicted. The court shall require the individual to read and sign a form as  
23          required by the attorney general, stating that the duty of the individual to register under  
24          this section has been explained to that individual. The court shall obtain the address  
25          where the individual expects to reside, attend school, or work upon release or  
26          discharge and shall report the address to the attorney general within three days. The  
27          court shall give one copy of the form to the individual and shall send two copies to the  
28          attorney general. The attorney general shall forward one copy to the appropriate law  
29          enforcement agency having jurisdiction where the individual expects to reside, attend  
30          school, or work upon discharge, parole, or release.

1           7.   Registration consists of a written statement signed by the individual, giving the  
2           information required by the attorney general, and the biometric data and photograph of  
3           the individual. An individual who is not required to provide a sample of blood and other  
4           body fluids under section 31-13-03 or by the individual's state or court of conviction or  
5           adjudication shall submit a sample of blood and other body fluids for inclusion in a  
6           centralized database of DNA identification records under section 31-13-05. The  
7           collection, submission, testing and analysis of, and records produced from, samples of  
8           blood and other body fluids, are subject to chapter 31-13. Evidence of the DNA profile  
9           comparison is admissible in accordance with section 31-13-02. A report of the DNA  
10          analysis certified by the state crime laboratory is admissible in accordance with section  
11          31-13-05. A district court shall order an individual who refuses to submit a sample of  
12          blood or other body fluids for registration purposes to show cause at a specified time  
13          and place why the individual should not be required to submit the sample required  
14          under this subsection. Within three days after registration, the registering law  
15          enforcement agency shall forward the statement, biometric data, and photograph to  
16          the attorney general and shall submit the sample of the individual's blood and body  
17          fluids to the state crime laboratory. If an individual required to register under this  
18          section has a change in vehicle or computer online identity, the individual shall  
19          register, within three days after the change, with the law enforcement agency with  
20          which that individual last registered of the individual's new vehicle or computer online  
21          identity. If an individual required to register pursuant to this section has a change in  
22          name, school, or residence or employment address, that individual shall register, at  
23          least ten days before the change, with the law enforcement agency with which that  
24          individual last registered of the individual's new name, school, residence address, or  
25          employment address. A change in school or employment address includes the  
26          termination of school or employment for which an individual required to register under  
27          this section, the individual shall register within three days of the termination with the  
28          law enforcement agency with which the individual last registered. The law enforcement  
29          agency, within three days after receipt of the information, shall forward it to the  
30          attorney general. The attorney general shall forward the appropriate registration data  
31          to the law enforcement agency having local jurisdiction of the new place of residence,

1 school, or employment. Upon a change of address, the individual required to register  
2 shall also register within three days at the law enforcement agency having local  
3 jurisdiction of the new place of residence, school, or employment. The individual  
4 registering under this section shall periodically confirm the information required under  
5 this subsection in a manner and at an interval determined by the attorney general. A  
6 law enforcement agency that has previously registered an offender may omit the  
7 biometric data portion of the registration if that agency has a set of biometric data on  
8 file for that individual and is personally familiar with and can visually identify the  
9 offender. These provisions also apply in any other state that requires registration.

10 8. An individual required to register under this section shall comply with the registration  
11 requirement for the longer of the following periods:

- 12 a. A period of fifteen years after the date of sentence or order deferring or  
13 suspending sentence upon a plea or finding of guilt or after release from  
14 incarceration, whichever is later;
- 15 b. A period of twenty-five years after the date of sentence or order deferring or  
16 suspending sentence upon a plea or finding of guilt or after release from  
17 incarceration, whichever is later, if the offender is assigned a moderate risk by the  
18 attorney general as provided in subsection 12; or
- 19 c. For the life of the individual, if that individual:
- 20 (1) On two or more occasions has pled guilty or nolo contendere to, or been  
21 found guilty of a crime against a child or as a sexual offender. If all qualifying  
22 offenses are misdemeanors, this lifetime provision does not apply unless a  
23 qualifying offense was committed after August 1, 1999;
- 24 (2) Pleads guilty or nolo contendere to, or is found guilty of, an offense  
25 committed after August 1, 1999, which is described in subdivision a of  
26 subsection 1 of section 12.1-20-03, section 12.1-20-03.1, or subdivision d of  
27 subsection 1 of section 12.1-20-03 if the person is an adult and the victim is  
28 under age twelve, or section 12.1-18-01 if that individual is an adult other  
29 than a parent of the victim, or an equivalent offense from another court in  
30 the United States, a tribal court, or court of another country; or
- 31 (3) Is assigned a high risk by the attorney general as provided in subsection 12.

- 1           9.    An individual required to register under this section who violates this section is guilty of  
2           a class C felony. The failure of a homeless individual to register as required in  
3           subsections 2 and 3 is prima facie evidence of a violation of this section. The clerk of  
4           court shall forward all warrants issued for a violation of this section to the county  
5           sheriff, who shall enter all such warrants into the national crime information center  
6           wanted person file. A court may not relieve an individual, other than a juvenile, who  
7           violates this section from serving a term of at least ninety days in jail and completing  
8           probation of one year.
- 9           10.   When an individual is released on parole or probation and is required to register  
10           pursuant to this section, but fails to do so within the time prescribed, the court shall  
11           order the probation, or the parole board shall order the parole, of the individual  
12           revoked.
- 13          11.   If an individual required to register pursuant to this section is temporarily sent outside  
14           the facility or institution where that individual is confined under conviction or sentence,  
15           the local law enforcement agency having jurisdiction over the place where that  
16           individual is being sent must be notified within a reasonable time period before that  
17           individual is released from the facility or institution. This subsection does not apply to  
18           any individual temporarily released under guard from the facility or institution in which  
19           that individual is confined.
- 20          12.   The attorney general, with the assistance of the department and the juvenile courts,  
21           shall develop guidelines for the risk assessment of sexual offenders who are required  
22           to register, with a low-risk, moderate-risk, or high-risk level being assigned to each  
23           offender as follows:
- 24           a.    The department shall conduct a risk assessment of sexual offenders who are  
25           incarcerated in institutions under the control of the department and sexual  
26           offenders who are on supervised probation. The department, in a timely manner,  
27           shall provide the attorney general any information, including the offender's level  
28           of risk and supporting documentation, concerning individuals required to be  
29           registered under this section who are about to be released or placed into the  
30           community.

- 1           b. The attorney general shall conduct a risk assessment of sexual offenders who  
2           are not under the custody or supervision of the department. The attorney general  
3           may adopt a law enforcement agency's previous assignment of risk level for an  
4           individual if the assessment was conducted in a manner substantially similar to  
5           the guidelines developed under this subsection.
- 6           c. The juvenile courts or the agency having legal custody of a juvenile shall conduct  
7           a risk assessment of juvenile sexual offenders who are required to register under  
8           this section. The juvenile courts or the agency having legal custody of a juvenile  
9           shall provide the attorney general any information, including the offender's level  
10          of risk and supporting documentation, concerning juveniles required to register  
11          and who are about to be released or placed into the community.
- 12          d. The attorney general shall notify the offender of the risk level assigned to that  
13          offender. An offender may request a review of that determination with the attorney  
14          general's sexual offender risk assessment committee and may present any  
15          information that the offender believes may lower the assigned risk level.
- 16    13. An individual assessed as a high-risk sexual offender in accordance with  
17          subsection 12, may not reside within five hundred feet [152.4 meters] of a public or  
18          nonpublic preschool or elementary, middle, or high school.
- 19    14. Relevant and necessary conviction and registration information must be disclosed to  
20          the public by a law enforcement agency if the individual is a moderate or high risk and  
21          the agency determines that disclosure of the conviction and registration information is  
22          necessary for public protection. The attorney general shall develop guidelines for  
23          public disclosure of offender registration information. Public disclosure may include  
24          internet access if the offender:
- 25          a. Is required to register for a lifetime under subsection 8;
- 26          b. Has been determined to be a high risk to the public by the department, the  
27          attorney general, or the courts, according to guidelines developed by those  
28          agencies; or
- 29          c. Has been determined to be a high risk to the public by an agency of another state  
30          or the federal government.

1 If the offender has been determined to be a moderate risk, public disclosure must include, at a  
2 minimum, notification of the offense to the victim registered under chapter 12.1-34 and to any  
3 agency, civic organization, or group of persons who have characteristics similar to those of a  
4 victim of the offender. Upon request, law enforcement agencies may release conviction and  
5 registration information regarding low-risk, moderate-risk, or high-risk offenders.

6 15. A state officer, law enforcement agency, or public school district or governing body of a  
7 nonpublic school or any appointee, officer, or employee of those entities is not subject  
8 to civil or criminal liability for making risk determinations, allowing a sexual offender to  
9 attend a school function under section 12.1-20-25, or for disclosing or for failing to  
10 disclose information as permitted by this section.

11 16. If a juvenile is adjudicated delinquent and required or ordered to register as a sexual  
12 offender or as an offender against a child under this section, the juvenile shall comply  
13 with the registration requirements in this section. Notwithstanding any other provision  
14 of law, a law enforcement agency shall register a juvenile offender in the same manner  
15 as adult offenders and may release any relevant and necessary information on file to  
16 other law enforcement agencies, the department of human services, or the public if  
17 disclosure is necessary to protect public health or safety. The law enforcement agency  
18 shall release any relevant and necessary information on file to the superintendent or  
19 principal of the school the juvenile attends. The school administration shall notify  
20 others in similar positions if the juvenile transfers to another learning institution in or  
21 outside the state.

22 17. If an individual has been required to register as a sexual offender or an offender

23 court orders an individual to register as an offender under this section, the  
24 individual shall comply with all of the registration requirements in this chapter.

25 3. If a court has not ordered an individual to register in this state, an individual who

31 offender;

- 1           b. Has pled guilty or nolo contendere to, or been adjudicated for or found guilty of,

5           c. Has pled guilty or nolo contendere to, or has been found guilty of, a crime against  
6           a child or as a sexual offender for which registration is mandatory under this  
7           section if the conviction occurred after July 31, 1985.
- 8           4. In its consideration of mental abnormality or predatory conduct, the court shall

11          victim and offender, and the mental state of the offender. The court may order an  
12          offender to be evaluated by a qualified counselor, psychologist, or physician before  
13          sentencing. Except as provided under subdivision e of subsection 2, the court shall  
14          state on the record in open court its affirmative finding for not requiring an offender to  
15          register.
- 16          5. When an individual is required to register under this section, the official in charge of a  
17          facility or institution where the individual required to register is confined, or the  
18          department, shall, before the discharge, parole, or release of that individual, inform the  
19          individual of the duty to register pursuant to this section. The official or the department  
20          shall require the individual to read and sign a form as required by the attorney general,  
21          stating that the duty of the individual to register has been explained to that individual.  
22          The official in charge of the place of confinement, or the department, shall obtain the  
23          address where the individual expects to reside, attend school, or work upon discharge,  
24          parole, or release and shall report the address to the attorney general. The official in  
25          charge of the place of confinement, or the department, shall give three copies of the  
26          form to the individual and shall send three copies to the attorney general no later than  
27          forty-five days before the scheduled release of that individual. The attorney general  
28          shall forward one copy to the law enforcement agency having jurisdiction where the  
29          individual expects to reside, attend school, or work upon discharge, parole, or release,  
30          one copy to the prosecutor who prosecuted the individual, and one copy to the court in  
31          which the individual was prosecuted. All forms must be transmitted and received by

1           the law enforcement agency, prosecutor, and court thirty days before the discharge,  
2           parole, or release of the individual.

3           6. An individual who is required to register pursuant to this section who is released on  
4           probation or discharged upon payment of a fine must, before the release or discharge,  
5           be informed of the duty to register under this section by the court in which that  
6           individual is convicted. The court shall require the individual to read and sign a form as  
7           required by the attorney general, stating that the duty of the individual to register under  
8           this section has been explained to that individual. The court shall obtain the address  
9           where the individual expects to reside, attend school, or work upon release or  
10          discharge and shall report the address to the attorney general within three days. The  
11          court shall give one copy of the form to the individual and shall send two copies to the  
12          attorney general. The attorney general shall forward one copy to the appropriate law  
13          enforcement agency having jurisdiction where the individual expects to reside, attend  
14          school, or work upon discharge, parole, or release.

15          7. Registration consists of a written or electronic statement signed by the individual,  
16          giving the information required by the attorney general, and the biometric data and  
17          photograph of the individual. An individual who is not required to provide a sample of  
18          blood and other body fluids under section 31-13-03 or by the individual's state or court  
19          of conviction or adjudication shall submit a sample of blood and other body fluids for  
20          inclusion in a centralized database of DNA identification records under section  
21          31-13-05. The collection, submission, testing and analysis of, and records produced  
22          from, samples of blood and other body fluids, are subject to chapter 31-13. Evidence  
23          of the DNA profile comparison is admissible in accordance with section 31-13-02. A  
24          report of the DNA analysis certified by the state crime laboratory is admissible in  
25          accordance with section 31-13-05. A district court shall order an individual who refuses  
26          to submit a sample of blood or other body fluids for registration purposes to show  
27          cause at a specified time and place why the individual should not be required to  
28          submit the sample required under this subsection. Within three days after registration,  
29          the registering law enforcement agency shall forward the statement, biometric data,  
30          and photograph to the attorney general and shall submit the sample of the individual's  
31          blood and body fluids to the state crime laboratory. If an individual required to register

1 under this section has a change in vehicle or computer online identity, the individual  
2 shall register, within three days after the change, with the law enforcement agency  
3 having local jurisdiction of the individual's place of residence of the individual's new  
4 vehicle or computer online identity. If an individual required to register pursuant to this  
5 section has a change in name, school, or residence or employment address, that  
6 individual shall register, at least ten days before the change, with the law enforcement  
7 agency having local jurisdiction of the individual's place of residence of the individual's  
8 new name, school, residence address, or employment address. A change in school or  
9 employment address includes the termination of school or employment for which an  
10 individual required to register under this section, the individual shall register within  
11 three days of the termination with the law enforcement agency having local jurisdiction  
12 of the individual's place of residence. The law enforcement agency, within three days  
13 after receipt of the information, shall forward it to the attorney general. The attorney  
14 general shall forward the appropriate registration data to the law enforcement agency  
15 having local jurisdiction of the new place of residence, school, or employment. Upon a  
16 change of address, the individual required to register also shall register within three  
17 days at the law enforcement agency having local jurisdiction of the new place of  
18 residence. If an individual required to register in North Dakota, including in a tribal  
19 registry, resides in another state or on tribal lands, that individual shall register  
20 employment and school addresses and any changes in required registration  
21 information with the law enforcement agency having local jurisdiction over the school  
22 or employment address. The individual registering under this section shall periodically  
23 confirm the information required under this subsection in a manner and at an interval  
24 determined by the attorney general. A law enforcement agency that has previously  
25 registered an offender may omit the biometric data portion of the registration if that  
26 agency has a set of biometric data on file for that individual and is personally familiar  
27 with and can visually identify the offender. These provisions also apply in any other  
28 state that requires registration.

- 29 8. An individual required to register under this section shall comply with the registration  
30 requirement for the longer of the following periods:

- 1           a. A period of fifteen years after the date of sentence or order deferring or  
2           suspending sentence upon a plea or finding of guilt or after release from  
3           incarceration, whichever is later;
- 4           b. A period of twenty-five years after the date of sentence or order deferring or  
5           suspending sentence upon a plea or finding of guilt or after release from  
6           incarceration, whichever is later, if the offender is assigned a moderate risk by the  
7           attorney general as provided in subsection 12; or
- 8           c. For the life of the individual, if that individual:
- 9           (1) On two or more occasions has pled guilty or nolo contendere to, or been  
10           found guilty of a crime against a child or as a sexual offender. If all qualifying  
11           offenses are misdemeanors, this lifetime provision does not apply unless a  
12           qualifying offense was committed after August 1, 1999;
- 13           (2) Pleads guilty or nolo contendere to, or is found guilty of, an offense  
14           committed after August 1, 1999, which is described in subdivision a of  
15           subsection 1 of section 12.1-20-03, section 12.1-20-03.1, or subdivision d of  
16           subsection 1 of section 12.1-20-03 if the person is an adult and the victim is  
17           under age twelve, or section 12.1-18-01 if that individual is an adult other  
18           than a parent of the victim, or an equivalent offense from another court in  
19           the United States, a tribal court, or court of another country; or
- 20           (3) Is assigned a high risk by the attorney general as provided in subsection 12.
- 21       9. An individual required to register under this section who violates this section is guilty of  
22       a class C felony. The failure of a homeless individual to register as required in  
23       subsections 2 and 3 is prima facie evidence of a violation of this section. The clerk of  
24       court shall forward all warrants issued for a violation of this section to the county  
25       sheriff, who shall enter all such warrants into the national crime information center  
26       wanted person file. A court may not relieve an individual, other than a juvenile, who  
27       violates this section from serving a term of at least ninety days in jail and completing  
28       probation of one year.
- 29       10. When an individual is released on parole or probation and is required to register  
30       pursuant to this section, but fails to do so within the time prescribed, the court shall

1           order the probation, or the parole board shall order the parole, of the individual  
2           revoked.

3       11.   If an individual required to register pursuant to this section is temporarily sent outside  
4           the facility or institution where that individual is confined under conviction or sentence,  
5           the local law enforcement agency having jurisdiction over the place where that  
6           individual is being sent must be notified within a reasonable time period before that  
7           individual is released from the facility or institution. This subsection does not apply to  
8           any individual temporarily released under guard from the facility or institution in which  
9           that individual is confined.

10      12.   The attorney general, with the assistance of the department and the juvenile courts,  
11           shall develop guidelines for the risk assessment of sexual offenders who are required  
12           to register, with a low-risk, moderate-risk, or high-risk level being assigned to each  
13           offender as follows:

14           a.   The department shall conduct a risk assessment of sexual offenders who are  
15                incarcerated in institutions under the control of the department and sexual  
16                offenders who are on supervised probation. The department, in a timely manner,  
17                shall provide the attorney general any information, including the offender's level  
18                of risk and supporting documentation, concerning individuals required to be  
19                registered under this section who are about to be released or placed into the  
20                community.

21           b.   The attorney general shall conduct a risk assessment of sexual offenders who  
22                are not under the custody or supervision of the department. The attorney general  
23                may adopt a law enforcement agency's previous assignment of risk level for an  
24                individual if the assessment was conducted in a manner substantially similar to  
25                the guidelines developed under this subsection.

26           c.   The juvenile courts or the agency having legal custody of a juvenile shall conduct  
27                a risk assessment of juvenile sexual offenders who are required to register under  
28                this section. The juvenile courts or the agency having legal custody of a juvenile  
29                shall provide the attorney general any information, including the offender's level  
30                of risk and supporting documentation, concerning juveniles required to register  
31                and who are about to be released or placed into the community.

1           d. The attorney general shall notify the offender of the risk level assigned to that  
2           offender. An offender may request a review of that determination with the attorney  
3           general's sexual offender risk assessment committee and may present any  
4           information that the offender believes may lower the assigned risk level.

5       13. An individual assessed as a high-risk sexual offender in accordance with  
6       subsection 12, may not reside within five hundred feet [152.4 meters] of a public or  
7       nonpublic preschool or elementary, middle, or high school.

8       14. Relevant and necessary conviction and registration information must be disclosed to  
9       the public by a law enforcement agency if the individual is a moderate or high risk and  
10      the agency determines that disclosure of the conviction and registration information is  
11      necessary for public protection. The attorney general shall develop guidelines for  
12      public disclosure of offender registration information. Public disclosure may include  
13      internet access if the offender:

14      a. Is required to register for a lifetime under subsection 8;

15      b. Has been determined to be a high risk to the public by the department, the  
16      attorney general, or the courts, according to guidelines developed by those  
17      agencies; or

18      c. Has been determined to be a high risk to the public by an agency of another state  
19      or the federal government.

20      If the offender has been determined to be a moderate risk, public disclosure must  
21      include, at a minimum, notification of the offense to the victim registered under chapter  
22      12.1-34 and to any agency, civic organization, or group of persons who have  
23      characteristics similar to those of a victim of the offender. Upon request, law  
24      enforcement agencies may release conviction and registration information regarding  
25      low-risk, moderate-risk, or high-risk offenders.

26      15. A state officer, law enforcement agency, or public school district or governing body of a  
27      nonpublic school or any appointee, officer, or employee of those entities is not subject  
28      to civil or criminal liability for making risk determinations, allowing a sexual offender to  
29      attend a school function under section 12.1-20-25, or for disclosing or for failing to  
30      disclose information as permitted by this section.

1       16. If a juvenile is adjudicated delinquent and required or ordered to register as a sexual  
2       offender or as an offender against a child under this section, the juvenile shall comply  
3       with the registration requirements in this section. Notwithstanding any other provision  
4       of law, a law enforcement agency shall register a juvenile offender in the same manner  
5       as adult offenders and may release any relevant and necessary information on file to  
6       other law enforcement agencies, the department of human services, or the public if  
7       disclosure is necessary to protect public health or safety. The law enforcement agency  
8       shall release any relevant and necessary information on file to the superintendent or  
9       principal of the school the juvenile attends. The school administration shall notify  
10      others in similar positions if the juvenile transfers to another learning institution in or  
11      outside the state.

12      17. If an individual has been required to register as a sexual offender or an offender  
13      against a child under section 12.1-32-15 or 27-20-52.1 before August 1, 1999, the  
14      individual may petition the court to be removed from the offender list if registration is  
15      no longer mandatory for that individual. In considering the petition, the court shall  
16      comply with the requirements of this section.

17      18. A sexual offender who is currently assigned a moderate or high-risk level by the  
18      attorney general may not use a state park of this state as a residence or residential  
19      address to comply with the registration requirements of this section. Before arriving at  
20      a state park for overnight lodging or camping, a sexual offender who is assigned a  
21      moderate or high-risk level by the attorney general shall notify a parks and recreation  
22      department law enforcement officer at the state park where the sexual offender will be  
23      staying.

24      **SECTION 3. AMENDMENT.** Subsection 3 of section 50-25.1-02 of the North Dakota  
25      Century Code is amended and reenacted as follows:
