Currently the Board receives a \$15 student registration fee per individual enrolling in a school. Therefore this fee would be paid by an individual enrolling in the apprentice program instead of a school and would not change our revenue.

B. **Expenditures:** Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

The State Board does not anticipate any effect on expense

C. **Appropriations:** Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.
