- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill creates & enacts 20.1-18 relating to a database identifying whether private land is open to hunters; to amend & reenact sect of NDCC relating to criminal trespass & hunting on private land; to provide a statement of legis. intent; to provide for a legis. mgmt study; & to provide a penalty.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 6 of the proposed amendment requires the creation of a publicly accessible database to designate private land open to hunters, closed to hunters, or open to hunters with permission from the owner or lawful occupant. The database will be available to those counties that provide their geographic information system data to the information technology department (ITD).

The publicly accessible database and the mapping application would require approx. \$250K for IT programming. This database is contingent upon ITD's 2019-21 budget request for a GIS-Statewide Land Parcel system.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The effect on revenue is unknown.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

The proposed amendment would not require additional game and fish staff. The publicly accessible database and the mapping application would require approx. \$250K for IT programming. This database is contingent upon ITD's 2019-21 budget request for a GIS-Statewide Land Parcel system.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*

Increase appropriation Operating line \$250,000.
