

Sixty-seventh  
Legislative Assembly  
of North Dakota

**HOUSE BILL NO. 1032**

Introduced by

Legislative Management

(Health Care Committee)

1 A BILL for an Act to create and enact a new chapter to title 19 of the North Dakota Century  
2 Code, relating to prescription drug cost transparency; and to provide a penalty.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new chapter to title 19 of the North Dakota Century Code is created and  
5 enacted as follows:

6 **Definitions.**

7 As used in this chapter:

8 1. "Board" means the state board of pharmacy.

9 2. "Commissioner" means the insurance commissioner.

10 3. "Concession" includes a free good, delayed billing, and billing forgiveness.

11 4. "Drug" has the same meaning as provided under section 19-02.1-01.

12 5. "Health care plan" means an individual, blanket, or group plan, policy, or contract for  
13 health care services issued or delivered in this state by a health insurer.

14 6. "Health insurer" means an insurance company, nonprofit health service corporation,  
15 health maintenance organization, third-party payer, health program administered by a  
16 state agency, or other person engaged as principal in the business of insurance which  
17 issues or delivers a health care plan in this state.

18 7. "Manufacturer-packaged drug container" means a manufacturer-prepared supply of  
19 medication packaged in a container with a unique product-identifying national drug  
20 code number.

21 8. "Net spending" means the cost of drugs minus any discounts that lower the price of  
22 the drugs, including a rebate, fee, retained price protection, retail pharmacy network  
23 spread, and dispensing fee.

1       9.   "Pharmacy benefits manager" has the same meaning as provided under section  
2       19-03.6-01.

3       10.   "Prescription drug" means a:

4       a.   Substance for which federal or state law requires a prescription before the  
5       substance may be legally dispensed to the public;

6       b.   Drug or device that under federal law is required, before being dispensed or  
7       delivered, to be labeled with the statement:

8           (1)   "Caution: federal law prohibits dispensing without prescription" or "Rx only"  
9           or other legend that complies with federal law; or

10          (2)   "Caution: federal law restricts this drug to use by or on the order of a  
11          licensed veterinarian"; or

12       c.   Drug or device required by federal or state law to be dispensed on prescription or  
13       restricted to use by a practitioner.

14       11.   "Rebate" includes any discount, financial incentive, or concession that affects the price  
15       of a drug to a pharmacy benefits manager or health insurer for a drug manufactured  
16       by the pharmaceutical manufacturer.

17       12.   "Specialty drug" has the same meaning as provided under section 19-02.1-16.2.

18       13.   "Utilization management" means a set of formal techniques designed to monitor the  
19       use of, or evaluate the medical necessity, appropriateness, efficacy, or efficiency of,  
20       health care services, procedures, or settings.

21       14.   "Wholesale acquisition cost" means, with respect to a prescription drug, the  
22       manufacturer's list price for the prescription drug to wholesalers or direct purchasers in  
23       the United States for the most recent month for which the information is available, as  
24       reported in wholesale price guides or other publications of drug pricing data, such as  
25       Medi-Span Price Rx, Gold Standard Drug Database, or First Databank drug data. The  
26       term does not include a rebate, prompt pay, or other discount or other reduction in  
27       price.

28       **Disclosure of drug pricing information.**

29       1.   Each drug manufacturer shall submit a report to the board no later than the fifteenth  
30       day of January, April, July, and October with the current wholesale acquisition cost

1 information for the United States food and drug administration-approved drugs sold in  
2 or into the state by that manufacturer.

3 2. a. Not more than thirty days after an increase in wholesale acquisition cost of forty  
4 percent or greater over the preceding five calendar years or ten percent or  
5 greater in the preceding twelve months for a prescription drug with a wholesale  
6 acquisition cost of seventy dollars or more for a manufacturer-packaged drug  
7 container, a drug manufacturer shall submit a report to the board. The report  
8 must contain the following information:

9 (1) Name of the drug;

10 (2) Whether the drug is a brand name or a generic;

11 (3) The effective date of the change in wholesale acquisition cost;

12 (4) Aggregate, company-level research and development costs for the previous  
13 calendar year;

14 (5) Aggregate rebate amounts paid to each pharmacy benefits manager for the  
15 calendar year;

16 (6) The name of each of the manufacturer's drugs approved by the United  
17 States food and drug administration in the previous five calendar years;

18 (7) The name of each of the manufacturer's drugs that lost patent exclusivity in  
19 the United States in the previous five calendar years; and

20 (8) A statement of rationale regarding the factor or factors that caused the  
21 increase in the wholesale acquisition cost, such as raw ingredient shortage  
22 or increase in pharmacy benefits manager rebates.

23 b. The quality and types of information and data a drug manufacturer submits to the  
24 board pursuant to this subsection must be the same as the quality and types of  
25 information and data the manufacturer includes in the manufacturer's annual  
26 consolidated report on securities and exchange commission form 10-K or any  
27 other public disclosure.

28 3. A drug manufacturer shall notify the board in writing if the manufacturer is introducing  
29 a new prescription drug to market at a wholesale acquisition cost that exceeds the  
30 threshold set for a specialty drug under the Medicare part D program.

- 1           a. The notice must include a statement of rationale regarding the factor or factors  
2           that caused the new drug to exceed the Medicare part D program price.
- 3           b. The drug manufacturer shall provide the written notice within three calendar days  
4           following the release of the drug in the commercial market.
- 5           c. A drug manufacturer may make the notification pending approval by the United  
6           States food and drug administration if commercial availability is expected within  
7           three calendar days following the approval.
- 8       4. Within thirty days of receipt of a report under this section, the board shall provide the  
9       reported information to the commissioner in a format ready for publication on the  
10       commissioner's website.

11       **Disclosure of pharmacy benefits manager information.**

- 12       1. On or before April first of each year, a pharmacy benefits manager providing services  
13       for a health care plan shall file a report with the board. The report must contain the  
14       following information for the previous calendar year:
  - 15           a. The aggregated rebates, fees, price protection payments, and any other  
16           payments collected from each drug manufacturer;
  - 17           b. The aggregated dollar amount of rebates, price protection payments, fees, and  
18           any other payments collected from each drug manufacturer which were passed  
19           to health insurers;
  - 20           c. The aggregated fees, price concessions, penalties, effective rates, and any other  
21           financial incentive collected from pharmacies which were passed to enrollees at  
22           the point of sale;
  - 23           d. The aggregated dollar amount of rebates, price protection payments, fees, and  
24           any other payments collected from drug manufacturers which were retained as  
25           revenue by the pharmacy benefits manager; and
  - 26           e. The aggregated rebates passed on to employers.
- 27       2. Reports submitted by pharmacy benefits managers under this section may not  
28       disclose the identity of a specific health benefit plan or enrollee, the prices charged for  
29       specific drugs or classes of drugs, or the amount of any rebates or fees provided for  
30       specific drugs or classes of drugs.

- 1       3.   Within thirty days of receipt of a report under this section, the board shall provide the  
2       reported information to the commissioner in a format ready for publication on the  
3       commissioner's website. The information the board provides to the commissioner may  
4       not disclose or tend to disclose proprietary or confidential information of any pharmacy  
5       benefit manager.

6       **Disclosure of health insurer spending information.**

- 7       1.   a.   On or before April first of each year, each health insurer shall submit a report to  
8       the board. The report must contain the following information for the previous two  
9       calendar years:  
10       (1)   Names of the twenty-five most frequently prescribed drugs across all plans;  
11       (2)   Names of the twenty-five prescription drugs dispensed with the highest  
12       dollar spend in terms of gross revenue;  
13       (3)   Percent increase in annual net spending for prescription drugs across all  
14       plans;  
15       (4)   Percent increase in premiums which is attributable to prescription drugs  
16       across all plans;  
17       (5)   Percentage of specialty drugs with utilization management requirements  
18       across all plans; and  
19       (6)   Premium reductions attributable to specialty drug utilization management.  
20       b.   Within thirty days of receipt of a report under this section, the board shall provide  
21       the reported information to the commissioner in a format ready for publication on  
22       the commissioner's website. The combined aggregated data from the reports  
23       which the board provides to the commissioner must be provided in a manner that  
24       does not disclose or tend to disclose proprietary or confidential information of any  
25       health insurer.  
26       2.   A report submitted by a health insurer may not disclose the identity of a specific health  
27       benefit plan or the prices charged for specific prescription drugs or classes of  
28       prescription drugs.

29       **Website.**

- 30       1.   The commissioner shall develop a website to publish information the board reports to  
31       the commissioner under this chapter. The commissioner shall make the website

1           available on the commissioner's website with a dedicated link prominently displayed  
2           on the home page, or by a separate, easily identifiable internet address.

3        2.   Within thirty days of receipt of reported information from the board, the commissioner  
4           shall publish the reported information on the website developed under this section.

5        **Rulemaking - Forms - Services - Records.**

6        1.   The board and the commissioner may adopt rules to implement this chapter.

7        2.   In consultation with the commissioner, the board shall develop forms that must be  
8           used for reporting required under this chapter.

9        3.   The board may contract for services to implement this chapter.

10       4.   A report received by the board is an exempt record as defined by section 44-04-17.1.

11       **Civil penalty.**

12       A health care plan, drug manufacturer, or pharmacy benefits manager that violates this  
13       chapter is subject to the imposition by the attorney general of a civil penalty not to exceed  
14       ten thousand dollars for each violation. The fine may be collected and recovered in an action  
15       brought in the name of the state.
