- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

Allows district's to transfer back money from building fund to general fund if money was transferred from the general fund to the building fund between March 13, 2020 and June 30, 2020.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 1 allows money to be transferred from the building fund to the general fund. This would give school districts more flexibility to spend their money as the funds would no longer be subject to the restrictions in the school districts' building fund set in NDCC 57-15-17(1)(b).

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

School District's would be subject to ending fund balance offsets for the 2021-2022 foundation aid payment if the school district do not get their unobligated general fund balance under the allowed amount in NDCC 15.1-27-35.3. DPI does not budget for unobligated ending fund balance adjustments as school districts have the ability to spend down their balance prior to year end. During the 2019-20 school year, districts transferred \$21,389,166.03 to the building fund.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
