2 A. **Bill and fiscal impact summary:** Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

The bill will allow the DOT to implement an electronic driver license to be used for identification and for law enforcement purposes.

B. **Fiscal impact sections:** Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

The estimated costs are \$1 million for development and \$100,000 per biennium of on-going maintenance costs thereafter based on research from other state implementations.

- 3. State fiscal effect detail: For information shown under state fiscal effect in 1A, please:
 - A. **Revenues:** Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.
 - B. **Expenditures:** Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

Pre-development costs would be covered through existing staff. The development costs of \$1,000,000 will be needed to create a secure endpoint with the DL database and allow a secure 3rd party interface. The \$100,000 will be ongoing maintenance costs per biennium.

C. **Appropriations:** Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.

An addition to the 21-23 appropriation in the amount of \$1,000,000 would be needed to implement the provisions of this bill.
