Other Sections in State Water Commission - Budget No. 770

	Executive Budget Recommendation	House Version
Additional income	Section 3 would appropriate any additional income from the resources trust fund or water development trust fund that becomes available to the State Water Commission during the 2021-23 biennium.	Section 3 provides that in addition to the amounts appropriated to the State Water Commission from the resources trust fund, any additional amounts that become available in the fund are appropriated, subject to Budget Section approval, to the State Water Commission for the purpose of defraying the expenses of the State Water Commission for the 2021-23 biennium.

Other Sections in State Water Commission - Budget No. 770

Executive Budget Recommendation

House Version

Exemption - Water-related projects

Section 4 would provide that funds appropriated for grants or water-related projects in Section 1 are exempt from North Dakota Century Code Section 54-44.1-11 for 2 years after June 30, 2023. Any unexpended funds appropriated from the resources trust fund or the water development trust fund after that period has expired must be transferred to the originating fund.

Section 4 would provide that funds appropriated for grants or water-related projects in Section 1 are exempt from North Dakota Century Code Section 54-44.1-11 for 2 years after June 30, 2023. Any unexpended funds appropriated from the resources trust fund or the water development trust fund after that period has expired must be transferred to the originating fund.

Line item transfers

Section 5 would authorize the State Water Commission to transfer funds between line items in Section 1 of the bill, when it is cost-effective for the construction of water projects. The department must report transfers to the Office of Management and Budget.

Bank of North Dakota - Line of credit

Section 6 would extend authorization of a line of credit at the Bank of North Dakota, not to exceed \$75 million, at an annual percentage rate of 1.5 percent over the 3-month LIBOR rate, but may not exceed 3 percent to the State Water Commission. The State Water Commission must repay the line of credit from funds available in the resources trust fund, water development trust fund, or other funds, as appropriated by the Legislative Assembly. The State Water Commission may access the line of credit, as necessary, to provide funding as authorized by the Legislative Assembly for water supply and flood control projects approved for funding before June 30, 2023.

Section 5 would extend authorization of a line of credit at the Bank of North Dakota, not to exceed \$75 million, at an annual percentage rate of 1.5 percent over the 3-month LIBOR rate, but may not exceed 3 percent to the State Water Commission. The State Water Commission must repay the line of credit from funds available in the resources trust fund, water development trust fund, or other funds, as appropriated by the Legislative Assembly. The State Water Commission may access the line of credit, as necessary, to provide funding as authorized by the Legislative Assembly for water supply and flood control projects approved for funding before June 30, 2023. Add restriction for use on federal reimbursement project

Carryover funding reports - Legislative Management

Section 6 requires the State Water Commission to report on carryover projects to Legislative Management on a quarterly basis. This section also provides that the committee may make a recommendation to the State Water Commission if projects listed should be terminated pursuant to Section 61-02-14.3.

Emergency

Section 7 declares the bill to be an emergency measure.

Bank of North Dakota - Line of credit - Transfer

Section 7 authorizes the transfer of \$75 million of proceeds from a Bank of North Dakota line of credit to the State Water Commission during the 2021-23 biennium.
