

Changes NDCA is Requesting the Legislature Make to the Executive Recommendation

Provide a one-page itemized listing of the changes your agency is requesting the committee to make to the executive recommendation.

1) Restore Cuts Made to Grants Line Needed to Meet Budget Submission Guidelines - \$69,842
Restore Special Projects grant program (\$50,000) and reduction to Community Arts Access grant program (\$19,842) made to meet 5% general fund reduction required.

2) Add FTE and additional funding for an Administrative Assistant - \$92,325
Add one FTE (bringing NDCA's total from 5 to 6) and \$92,325 of general funds so that NDCA can move its long-time part-time temp to a full-time, regular position.

If approved, NDCA would give up its temporary position and combine the additional funding with its current part-time temp funds to hire a full-time Administrative Assistant II.

..... or

Add FTE and provide full funding for an Administrative Assistant - \$122,325

Add one FTE (bringing NDCA's total from 5 to 6) so that NDCA can finally have the support of a regular, full-time Administrative Assistant.

This option would fully fund the new position, thereby allowing NDCA to keep its part-time temp to work together with the new Administrative Assistant to provide seamless support for ongoing programs and events, as well as work specific to initiatives such as CARES funds distribution. Maintaining part-time temp assistance will be particularly important for NDCA if the State Internship Program through HRMS/OMB is discontinued.

POL Transfer note:

NDCA has received Emergency Commission approval to move \$8,000 (\$7,970 rounded up) of Poetry Out Loud (POL) funds, from the National Endowment for the Arts, grants to salaries to support its PT-Temp position.

To eliminate further visits the Emergency Commission for this purpose, **NDCA included** the transfer in its 21-23 base budget request, and **Gov. Burgum included** it in his Executive Recommendation. This is included in the base payroll change.

Ensuring it is included in the budget passed by the Legislature will save time and effort for both the Council and the Emergency Commission.

North Dakota Council on the Arts began teleworking on March 13, 2020.

As the year progressed, we undertook a space search in many state-owned and private buildings. Goals were to be provide accessibility, visibility, and a home for the State Art Collection.

A wonderful space was located downtown at 105 N 4th Street, Bismarck, 58501. Working with John Boyle, Facilities Management, a reduced rent for more space was negotiated, including building out the space to NDCA's specifications.

Square feet – 1,513
Price per square foot - \$.55
Rent - \$825

We relinquished the office space at the WSI building, 1600 East Century Avenue, Suite 6, Bismarck, ND 58503 on January 31, 2021.

NDCA will be more fully open come May, based on COVID restrictions, with staff alternating telework and coverage at the space. We will display the State Art Collection and provide room for meetings and classes for our constituents.
