Dear House Education Committee,

Chairman Owens and members of the House Education Committee, Family Policy Alliance of North Dakota would like to formally indicate its support of Senate Concurrent Resolution 4011.

We believe it is critical that all students understand the basic founding principles of our country, the Declaration of Independence, our Constitution, and other founding documents such as the Federalist Papers. These documents form the foundation of who we are as Americans and the rights and liberties we possess, as well as the limits of the powers of government. We do not want to raise a generation ignorant of these important truths, and so we encourage you to vote a "DO PASS" on SCR4011. Thank you for your consideration and please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Mark Jorritsma". The signature is fluid and cursive, with a large, stylized "M" and "J".
