

HB1230

Good morning Chairman and Judiciary Committee.

For the Record I am Rep Bernie Satrom and I am honored to serve the great people of District 12 in Jamestown.

Last year this committee and our legislature passed a law to help prevent fraudulent representation of service animals. I have heard many good reports and appreciation for our work.

HB1230 clarifies the definition of what constitutes a service animal and brings it in line with federal standards. I believe that this will help

This concludes my testimony

I stand for any questions.

*We also have a recommendation for a single ~~line~~ Strike  
a memorandum to make this better -*
