

**Testimony  
Senate Bill 2208 – State Water Commission  
Senate Agricultural Committee  
Senator Luick, Chair  
January 28, 2021**

Chairman Luick, and members of the Senate Agriculture Committee – I am Matt Lindsay, Engineering and Permitting Section Manager of the State Water Commission. I am attending to support testimony delivered by Aaron Carranza, Regulatory Division Director, and answer any questions I can related to his testimony or the proposed legislation.
