

Testimony of Jeffrey Mattern, Water Commission

House Bill 1020 – Water Commission and Office of the State Engineer Budget

Good morning, my name is Jeffrey Mattern. I am the Municipal, Rural, and Industrial (MR&I) Water Supply Program Manager in the Planning and Education Division at the State Water Commission. I appear before you virtually with interest in House Bill 1020. I am available should there be any questions from the committee that I am asked to address.
