Page 2, after line 11, insert:

**"SECTION 6. LOW-CARBON FUTURE INITIATIVE - LEGISLATIVE
MANAGEMENT REPORT.** During the 2021-22 interim, the department of
environmental quality shall coordinate an initiative to develop a plan to address a
low-carbon future, ensuring the role of all energy sources in a carbon-constrained
future. In developing the plan, the department of environmental quality shall consider,
as appropriate, technologies, operational practices, and conservation opportunities
directed at reducing the state's carbon intensity. The department of environmental
quality shall present the plan to the legislative management by September 1, 2022."
