

Senate Bill 2043
Senate Appropriations Committee
Senator Holmberg, Chairman
February 10, 2021

Good morning Mr. Chairman and Members of the Senate Appropriations Committee, my name is Captain Jody Skogen, Administrative Services Commander for the North Dakota Highway Patrol. I am here today to testify in support of Senate Bill 2043.

The Highway Patrol believes the adjustments offered in the bill will help to maintain the solvency of our retirement program. The men and women of the Highway Patrol, both current as well as retired, appreciate your consideration as you review the recommendations offered by NDPERS. This completes my testimony, and I would be happy to answer any questions you may have.
