28		the compact state reporting the information.
29	<u>5.</u>	Any information submitted to the coordinated database that is subsequently required
30		to be expunged by the law of the compact state reporting the information shall be

11	<u>1.</u>	The commission shall exercise its rulemaking powers pursuant to the criteria set forth
12		in this article and the rules adopted thereunder. Rules and amendments shall become
13		binding as of the date specified in each rule or amendment.
14	<u>2.</u>	If a majority of the legislatures of the compact states rejects a rule, by enactment of a
15		statute or resolution in the same manner used to adopt the compact, then such rule
16		shall have no further force and effect in any compact state.
17	<u>3.</u>	Rules or amendments to the rules shall be adopted at a regular or special meeting of
18		the commission.
19	<u>4.</u>	Prior to promulgation and adoption of a final rule or rules by the commission, and at
20		least sixty days in advance of the meeting at which the rule will be considered and
21		voted upon, the commission shall file a notice of proposed rulemaking:

23		b. On the website of each compact states' psychology regulatory authority or the
24		publication in which each state would otherwise publish proposed rules.
25	<u>5.</u>	The notice of proposed rulemaking shall include:
26		a. The proposed time, date, and location of the meeting in which the rule will be
27		considered and voted upon;
28		b. The text of the proposed rule or amendment and the reason for the proposed
29		<u>rule;</u>
30		c. A request for comments on the proposed rule from any interested person; and

3	<u>6.</u>		or to adoption of a proposed rule, the commission shall allow persons to submit
4		<u>writ</u>	ten data, facts, opinions, and arguments, which shall be made available to the
5		pub	<u>lic.</u>
6	<u>7.</u>	<u>The</u>	e commission shall grant an opportunity for a public hearing before it adopts a rule
7		<u>or a</u>	amendment if a hearing is requested by:
8		<u>a.</u>	At least twenty-five persons who submit comments independently of each other;
9		<u>b.</u>	A governmental subdivision or agency; or
10		<u>C.</u>	A duly appointed person in an association that has having at least twenty-five
11			members.
12	<u>8.</u>	<u>lf a</u>	hearing is held on the proposed rule or amendment, the commission shall publish
13		<u>the</u>	place, time, and date of the scheduled public hearing.
14		<u>a.</u>	All persons wishing to be heard at the hearing shall notify the executive director
15			of the commission or other designated member in writing of their desire to appear
16			and testify at the hearing not less than five business days before the scheduled
17			date of the hearing.
18		<u>b.</u>	Hearings shall be conducted in a manner providing each person who wishes to
19			comment a fair and reasonable opportunity to comment orally or in writing.
20		<u>C.</u>	No transcript of the hearing is required, unless a written request for a transcript is
21			made, in which case the person requesting the transcript shall bear the cost of
22			producing the transcript. A recording may be made in lieu of a transcript under
23			the same terms and conditions as a transcript. This subsection shall not preclude
24			the commission from making a transcript or recording of the hearing if it so
25			chooses.
26		<u>d.</u>	Nothing in this section shall be construed as requiring a separate hearing on
27			each rule. Rules may be grouped for the convenience of the commission at
28			hearings required by this section.
29	<u>9.</u>	<u>Foll</u>	owing the scheduled hearing date, or by the close of business on the scheduled
30		<u>hea</u>	ring date if the hearing was not held, the commission shall consider all written and

3		rulemaking record and the full text of the rule.
4	<u>11.</u>	If no written notice of intent to attend the public hearing by interested parties is
5		received, the commission may proceed with promulgation of the proposed rule without
6		a public hearing.
7	<u>12.</u>	Upon determination that an emergency exists, the commission may consider and
8		adopt an emergency rule without prior notice, opportunity for comment, or hearing,
9		provided that the usual rulemaking procedures provided in the compact and in this
10		section shall be retroactively applied to the rule as soon as reasonably possible, in no
11		event later than ninety days after the effective date of the rule. For the purposes of this
12		provision, an emergency rule is one that must be adopted immediately in order to:
13		a. Meet an imminent threat to public health, safety, or welfare;
14		b. Prevent a loss of commission or compact state funds;
15		c. Meet a deadline for the promulgation of an administrative rule that is established
16		<u>by federal law or rule; or</u>
17		d. Protect public health and safety.
18	<u>13.</u>	The commission or an authorized committee of the commission may direct revisions to
19		a previously adopted rule or amendment for purposes of correcting typographical
20		errors, errors in format, errors in consistency, or grammatical errors. Public notice of
21		any revisions shall be posted on the website of the commission. The revision shall be
22		subject to challenge by any person for a period of thirty days after posting. The
23		revision may be challenged only on grounds that the revision results in a material
24		change to a rule. A challenge shall be made in writing, and delivered to the chair of the
25		commission prior to the end of the notice period. If no challenge is made, the revision
26		will take effect without further action. If the revision is challenged, the revision may not
27		take effect without the approval of the commission.
28		ARTICLE XII - OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT
29	<u>1.</u>	Oversight.
30		a. The executive, legislative, and judicial branches of state government in each
31		compact state shall enforce this compact and take all actions necessary and

1			appropriate to effectuate the compact's purposes and intent. The provisions of
2			this compact and the rules promulgated hereunder shall have standing as
3			statutory law.
4		<u>b.</u>	All courts shall take judicial notice of the compact and the rules in any judicial or
5			administrative proceeding in a compact state pertaining to the subject matter of
6			this compact which may affect the powers, responsibilities, or actions of the
7			commission.
8		<u>C.</u>	The commission shall be entitled to receive service of process in any such
9			proceeding, and shall have standing to intervene in such a proceeding for all
10			purposes. Failure to provide service of process to the commission shall render a
11			judgment or order void as to the commission, this compact or promulgated rules.
12	<u>2.</u>	<u>Def</u>	ault, technical assistance, and termination.
13		<u>a.</u>	If the commission determines that a compact state has defaulted in the

15			promulgated rules, the commission shall:
16			(1) Provide written notice to the defaulting state and other compact states of the
17			nature of the default, the proposed means of remedying the default, and/or
18			any other action to be taken by the commission; and
19			(2) Provide remedial training and specific technical assistance regarding the
20			<u>default.</u>
21		<u>b.</u>	If a state in default fails to remedy the default, the defaulting state may be
22			terminated from the compact upon an affirmative vote of a majority of the
23			compact states, and all rights, privileges and benefits conferred by this compact
24			shall be terminated on the effective date of termination. A remedy of the default
25			does not relieve the offending state of obligations or liabilities incurred during the
26			period of default.
27		<u>C.</u>	Termination of membership in the compact shall be imposed only after all other
28			means of securing compliance have been exhausted. Notice of intent to suspend
29			or terminate shall be submitted by the commission to the governor, the majority
30			and minority leaders of the defaulting state's legislature, and each of the compact
31			states.

1		<u>d.</u>	A compact state which has been terminated is responsible for all assessments,			
2			obligations, and liabilities incurred through the effective date of termination,			
3			including obligations which extend beyond the effective date of termination.			
4		<u>e.</u>	The commission shall not bear any costs incurred by the state which is found to			
5			be in default or which has been terminated from the compact, unless agreed			
6			upon in writing between the commission and the defaulting state.			
7		<u>f.</u>	The defaulting state may appeal the action of the commission by petitioning the			
8			United States district court for the state of Georgia or the federal district where			
9			the compact has its principal offices. The prevailing member shall be awarded all			
10			costs of such litigation, including reasonable attorney's fees.			
11	<u>3.</u>	<u>Dis</u>	pute resolution.			
12		<u>a.</u>	Upon request by a compact state, the commission shall attempt to resolve
