

March 22, 2023

PROPOSED AMENDMENTS TO ENGROSSED HOUSE BILL NO. 1376

Page 2, line 6, after "**management**" insert "**and legislative assembly**"

Page 2, line 9, remove "through an approved virtual school"

Page 2, line 12, after "2." insert "A student or a student's family member may not receive any item, service, or thing of value not given in exchange for fair market consideration from a vendor providing instruction or support under this section.

3."

Page 2, line 15, replace "3." with "4."

Page 2, line 15, overstrike "biennial reports" and insert immediately thereafter "an annual report"

Page 2, line 15, after "to" insert "either"

Page 2, line 16, overstrike "regarding" and insert immediately thereafter "or the legislative assembly. In odd-numbered years, the report must be made to the legislative assembly. In even-numbered years, the report must be made to the legislative management. The annual report must:

a. Contain a comparison of

Page 2, line 16, overstrike "metrics"

Page 2, line 17, after "instruction" insert "against students not participating in virtual instruction"

Page 2, line 17, after "section" insert "; and

b. Use the statewide prekindergarten through grade twelve strategic vision framework goals.

5. If the superintendent of public instruction does not have access to academic performance reports of a school district's virtual instruction subgroup because of the low group size, the district shall provide the annual report required under this section for the district's comparison data.

6. Students enrolled in an approved virtual school do not generate school district sized weighting factors pursuant to section 15.1-27-03.2"

Renumber accordingly
