31		for the district's comparison data.

- Students enrolled in an approved virtual school do not generate school district sized
 weighting factors pursuant to section 15.1-27-03.2.
- **SECTION 3. AMENDMENT.** Section 15.1-31-01 of the North Dakota Century Code is 4 amended and reenacted as follows:

15.1-31-01. Open enrollment - Procedure.

- 1. By March first of the school year preceding the year of enrollment, a parent who wishes to enroll a student in a North Dakota school district other than the student's district of residence shall file an application for approval with the board of the admitting district and shall file a copy of the application with the student's district of residence. The superintendent of public instruction shall make the application forms available in each school district.
- By April first of the school year preceding the year of enrollment, the board of the
 admitting district shall approve or deny the application. The board of the admitting
 district shall notify the board of the district of residence and the student's parent of its
 decision within five days.
- 3. Notice of intent to enroll in the admitting district obligates the student to attend the admitting district during the following school year unless the school boards of the resident and the admitting districts agree in writing to allow the student to transfer back to the resident district or the student's parent relocates to another district.
- 4. A parent who wishes to enroll a student in a school district other than the student's district of residence shall file an application for approval with the board of the admitting district. All applications must be reviewed in the order they are received.
- 5. A student whose school district of residence does not offer the grade level in which the student requires enrollment may not participate in open enrollment. For purposes of determining whether the grade level in which the student requires enrollment is offered, the several school districts cooperating with each other for the joint provision of education services under a plan approved by the superintendent of public instruction must be considered to be a single district.
- A child placed for purposes other than education in a group or residential care facility
 or in a psychiatric residential treatment facility is not eligible for open enrollment under
 this section.

- 7. The board of a school district of residence and the board of an admitting district shall waive the application, consideration, and approval dates in this section for any student who, together with the student's parent, moves from the student's school district of residence to another school district and who wishes to enroll in a school district other than the district to which the student moved.
 - 8. The board of a school district of residence and the board of an admitting district shall waive the application, consideration, and approval dates in this section for any student who, together with the student's parent, moves into this state from out of state and who wishes to enroll in a school district other than the district to which the student moved.
 - **SECTION 4. AMENDMENT.** Section 15.1-31-06 of the North Dakota Century Code is amended and reenacted as follows:

15.1-31-06. Open enrollment - School boards - Standards.

- The board of each school district shall set standards for the acceptance and denial of applications for admittance under open enrollment as provided in section 45.1-31-0115.1-31-08. The standards may address the capacity of a program, class, grade level, or school building. The standards may not address previous academic achievement, participation in extracurricular activities, disabilities, English language proficiency, or previous disciplinary proceedings.
- 2. A board may also determine that applications for admittance under open enrollment, in accordance with this chapter, will not be considered only if there is a lack of capacity in a program, grade level, or school.
- 3. a. A school district participating in an open enrollment program may not give or offer to give a student remuneration, or directly exert influence on the student or the student's family, in order to encourage participation in the open enrollment program. The actions prohibited under this subdivision do not include providing informational materials about the program.
 - b. For purposes of this subsection, directly exerting influence means providing information about the school district to individuals who are not residents of that district unless the information is requested.
