

**HOUSE BILL NO. 1266**

Introduced by

Representatives Dockter, Bosch, Heinert, Nathe

Senators Cleary, Meyer

1 A BILL for an Act to amend and reenact section 40-63-03 of the North Dakota Century Code,  
2 relating to completion of existing approved projects and reapplication for renaissance zone  
3 designation following expiration of renaissance zone designations.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 40-63-03 of the North Dakota Century Code is  
6 amended and reenacted as follows:

7 **40-63-03. Renaissance zones.**

8 1. A city may apply to the department of commerce division of community services to  
9 designate a portion of that city as a renaissance zone if the following criteria are met:

10 a. The geographic area proposed for the renaissance zone is located wholly within  
11 the boundaries of the city submitting the application.

12 b. The application includes a development plan.

13 c. The proposed renaissance zone is not more than thirty-four square blocks,  
14 except in a city with a population of greater than five thousand the renaissance  
15 zone may exceed thirty-four square blocks at the rate of one additional block for  
16 each additional five thousand population to a maximum size of forty-nine blocks.

17 (1) Population is based upon the most recent federal decennial census or  
18 federal census estimate.

19 (2) If a city finds that renaissance zone projects have satisfactorily completed  
20 one or more blocks within the renaissance zone, the city may apply for and  
21 the department of commerce division of community services may approve  
22 withdrawal of those blocks from the renaissance zone and replacement of  
23 those blocks with other blocks that otherwise meet the requirements of this  
24 chapter.

- 1           d. Except as provided under subdivision g, the proposed renaissance zone has a  
2           continuous boundary and all blocks are contiguous.
- 3           e. The proposed land usage includes both commercial and residential property.
- 4           f. The application includes the proposed duration of renaissance zone status, not to  
5           exceed fifteen years.
- 6           (1) Upon application by the city, the department of commerce division of  
7           community services may extend the duration of renaissance zone status in  
8           increments of up to five years.
- 9           (2) If a renaissance zone designated under this chapter expires, a city may  
10          reapply for a subsequent renaissance zone in the same manner an original  
11          renaissance zone is formed under this section.
- 12          g. The proposed renaissance zone may have a single exception to the continuous  
13          boundary and contiguous block requirements under subdivision d if the area of  
14          the excepted noncontiguous blocks does not exceed three square blocks.
- 15        2. The department of commerce division of community services shall:
- 16          a. Review all applications for renaissance zone designation against the criteria  
17          established in this section and designate zones.
- 18          b. Approve or reject the duration of renaissance zone status as submitted in an  
19          application.
- 20          c. Approve or reject the geographic boundaries and total area of the renaissance  
21          zone as submitted in an application.
- 22          d. Promote the renaissance zone program.
- 23          e. Monitor the progress of the designated renaissance zones against submitted  
24          plans in an annual plan review.
- 25          f. Report on renaissance zone progress to the governor and the legislative  
26          management on an annual basis until all designated zones expire.
- 27        3. The department of commerce division of community services shall consider the  
28        following criteria in designating a renaissance zone:
- 29          a. The viability of the development plan.
- 30          b. The incorporation and enhancement of unique natural and historic features into  
31          the development plan.

- 1           c. Whether the development plan is creative and innovative in comparison to other  
2           applications.
- 3           d. Public and private commitment to and other resources available for the proposed  
4           renaissance zone, including the provisions for a renaissance fund organization.
- 5           e. How renaissance zone designation would relate to a broader plan for the  
6           community as a whole.
- 7           f. How the local regulatory burden, in particular that burden associated with the  
8           renovation of historic properties and that burden associated with mixed use  
9           development, will be eased for developers and investors in the renaissance zone.
- 10          g. The strategies for the promotion, development, and management of the zone,  
11          including the use of a local zone authority if designated.
- 12          h. Any other information required by the office.
- 13          4. The department of commerce division of community services may not designate a  
14          portion of a city as a renaissance zone unless, as a part of the application, the city  
15          provides a resolution from the governing body of the city that states if the renaissance  
16          zone designation is granted, persons and property within the renaissance zone are  
17          exempt from taxes as provided in sections 40-63-04 through 40-63-07.
- 18          5. A city may not propose or be part of more than one renaissance zone.
- 19          6. A parcel of property may be exempted from property taxes under section 40-63-05  
20          only once, but during the five taxable years of eligibility for that exemption, the  
21          property tax exemption transfers with the transfer of the property to a qualifying user.  
22          The ownership or lease of, or investment in, a parcel of property may qualify for  
23          exemption or credit under section 40-63-04 only once, but during the five taxable  
24          years of eligibility for that exemption or credit, the exemption or credit under section  
25          40-63-04 transfers with the transfer of the property to a qualified user and with respect  
26          to the year in which the transfer is made must be prorated for use of the property  
27          during that year. Taxpayers eligible for a property or income tax incentive under this  
28          chapter for zone projects that are incomplete immediately preceding the expiration of  
29          the renaissance zone designation in the area in which the zone project is located may  
30          continue to receive the incentive for the time period during which the taxpayer was  
31          originally eligible to receive the incentive. For purposes of this subsection, the

1           renaissance zone designation is considered expired when the proposed duration of  
2           renaissance zone and any subsequently granted extensions have lapsed.

3           7. A city may apply to the department of commerce division of community services at any  
4           time during the duration of a zone to expand a previously approved renaissance zone  
5           that is less than the maximum size allowed under subdivision c of subsection 1. If the  
6           expansion is approved by the department of commerce division of community  
7           services, the blocks in the expansion are eligible for up to fifteen years of renaissance  
8           zone status.

9           8. The use of grant funds as the sole source of investment in the purchase of a building  
10           or space in a building does not qualify a taxpayer for any tax exemption or credit  
11           available under the chapter, and grant funds may not be counted in determining if the  
12           cost of rehabilitation meets or exceeds the current true and full value of the building.

13           9. If a portion of an approved renaissance zone is not progressing, the city may request  
14           the department of commerce division of community services to permit deleting that  
15           portion and to make an adjustment of the boundaries to add another equal, contiguous  
16           area to the original zone.

17           10. If within a renaissance zone there is property that is included in a tax increment  
18           financing district, the city in which the property is located shall provide the department  
19           of commerce an annual report regarding any such property at the time requested by  
20           the department of commerce. The report required under this subsection must identify  
21           the property, provide the expected duration of inclusion of the property in the tax  
22           increment financing district and the renaissance zone, and identify any property and  
23           income tax benefits of the property and the expected duration of those benefits. The  
24           department of commerce shall deliver an annual report compiling the information  
25           required under this subsection to the legislative management interim committee on  
26           taxation issues or upon request of any other interim committee of the legislative  
27           management.
