11 ~~Upon request of the director of the office of management and budget and upon approval by~~

16 ~~revenues plus the revenues from the sale of put options will be in excess of the oil tax revenues~~
17 ~~estimated for that level of production by the most recently adjourned legislative assembly. The~~
18 ~~office of management and budget shall report any purchases of put options to the budget~~
19 ~~section of the legislative management.~~

20 1. There is created in the state treasury the oil and gas tax revenue hedging fund. The
21 fund consists of all moneys transferred to the fund by the legislative assembly, interest
22 and earnings upon moneys in the fund, and proceeds from any hedging financial
23 instruments. The moneys in the fund are appropriated to the office of management
24 and budget on a continuing basis for the purpose of implementing hedging strategies

1 as approved by the oil and gas tax revenue hedging advisory committee and for
2 administrative expenses.

3 2. The oil and gas tax revenue hedging advisory committee consists of:

4 a. The director of the office of management and budget, as chairman;

5 b. One senator appointed by the senate majority leader;

6 c. One representative appointed by the house majority leader;

7 d. The president of the Bank of North Dakota or the president's designee; and

11 4. The advisory committee shall recommend hedging strategies to offset any potential
12 reductions to state oil and gas tax revenues. Hedging strategies include put and call
13 options or any other hedging financial instruments. The committee may recommend
14 that hedging strategies not be implemented. The committee shall submit quarterly
15 reports to the legislative management regarding the results of the hedging strategies.

16 5. The office of management and budget may contract for consulting services to
17 implement the hedging strategies, and any related contracting expenses must be paid
18 from the fund.

19 6. On or before September fifteenth of each year, the committee shall certify to the state
20 treasurer the balance in the oil and gas tax revenue hedging fund on June thirtieth of
21 the preceding fiscal year. The state treasurer shall transfer any amount exceeding
22 twenty million dollars from the oil and gas tax revenue hedging fund to the strategic
23 investment and improvements fund by September thirtieth of each fiscal year.

24 **SECTION 2. APPROPRIATION - TRANSFER - INTENT.** There is appropriated out of any
25 moneys in the general fund in the state treasury, not otherwise appropriated, the sum of
26 \$20,000,000, which the office of management and budget shall transfer to the oil and gas tax
27 revenue hedging fund during the period beginning with the effective date of this Act and ending
28 June 30, 2025. It is the intent of the sixty-seventh legislative assembly that excess amounts
29 generated from hedging strategies, which are transferred to the strategic investment and
30 improvements fund, be used to repay the general fund before being appropriated for other
31 purposes.

1 **SECTION 3. EMERGENCY.** This Act is declared to be an emergency measure.
