1 A BILL for an Act to create and enact a new chapter to title 6 of the North Dakota Century Code,

3 purchases; to provide a penalty; and to provide a continuing appropriation.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** A new chapter to title 6 of the North Dakota Century Code is created and
6 enacted as follows:

7 **Definitions.**

8 As used in this chapter, unless the context or subject matter otherwise requires:

- 9 1. "Customer" means any person engaged in a payment card transaction facilitated or
10 processed by a financial entity.
- 11 2. "Disclosure" means the transfer, publication, or distribution of protected financial
12 information to another person for any purpose other than the processing or facilitating
13 of a payment card transaction, or other than taking any actions related to dispute
14 processing, fraud management, or protecting transaction integrity from concerns
15 related to illegal activities, breach, or cyber risks.
- 16 3. "Financial entity" means a person involved in facilitating or processing a payment card
17 transaction, including a bank, acquirer, payment card network, or payment card issuer.
- 18 4. "Firearms code" means a merchant category code approved by the international
19 organization for standardization for firearms retailers.
- 20 5. "Firearms retailer" means any person physically located in this state engaged in the
21 lawful business of selling or trading firearms or ammunition to be used in firearms.
- 22 6. "Government entity" means any state board, commission, agency, bureau, or
23 department, or any political subdivision of the state.

1 7. "Protected financial information" means any record of sale, purchase, return, or refund
2 involving a payment card which is retrieved, characterized, generated, labeled, sorted,
3 or grouped based on the assignments of a firearms code.

4 **Merchant codes - Limitations.**

- 5 1. Except for those records kept during the regular course of a criminal investigation and
6 prosecution or merchant marketing campaigns, a government entity or any official,
7 agent, or employee of the state, or any other person, may not willfully keep or cause to
8 be kept any list, record, or registry of privately owned firearms or firearm owners.
- 9 2. A financial entity or its agent may not require the use of a firearms code in a manner
10 that distinguishes a firearms retailer located in this state from a general merchandise
11 retailer or a sporting goods retailer.
- 12 3. A financial entity may not engage in the following discriminatory conduct:
- 13 a. Declining a lawful payment card transaction based solely on the assignment of a
14 firearms code; or
- 15 b. Taking any action against a customer which is intended to suppress or track
16 lawful commerce involving firearms or ammunition.
- 17 4. Nothing in this section may impair the financial entity's actions related to dispute
18 processing, fraud management, protecting transaction integrity from concerns related
19 to illegal activities, breach, cyber risks, or to comply with state or federal law.

20 **Investigation of financial entities.**

- 21 1. The attorney general shall process claims of alleged violations of this chapter, may
22 investigate alleged violations under this chapter, and shall provide a written notice to
23 any person in violation. A person that has received a written notice from the attorney
24 general must cease the use of a firearms code within thirty calendar days.
- 25 2. The attorney general may pursue, and a court may order, an injunction against any
26 person if the person fails to cease the use of a firearms code after the expiration of
27 thirty days from receipt of written notice.
- 28 3. If a court issues an injunction under this section, the court shall award the attorney
29 general reasonable expenses, including reasonable attorney's fees and costs.
- 30 4. If the attorney general finds a financial entity willfully violated this chapter, the attorney
31 general shall assess a fee of ten thousand dollars. Fees collected under this section

1 must be deposited into the merchant code violation fund. A financial entity desiring to
2 appeal the attorney general's finding of a violation under this chapter may appeal the
3 finding in accordance with chapter 28-32.

4 5. Information disclosed to a federal government entity is not a defense to any civil action
5 filed under this section, unless the disclosure or action is required by federal law or
6 regulation.

7 **Merchant code violation fund - Continuing appropriation.**

8 There is created in the state treasury the merchant code violation fund. The fund consists of
9 all money deposited in the fund under this chapter. Moneys in the fund are appropriated to the
10 attorney general on a continuing basis for disbursement to individuals harmed by a violation of
11 this chapter, subject to approval by the attorney general, and administrative expenses. An
12 individual harmed by a violation under this chapter may submit a request to the attorney general
13 for a disbursement of five thousand dollars from the fund, and the attorney general shall review
14 all requests for disbursement submitted under this chapter. The attorney general may use
15 money remaining in the fund after disbursements to defray the costs of administering and
16 enforcing this chapter.
