

HOUSE CONCURRENT RESOLUTION NO. 3025

Introduced by

Representatives Klemin, Hanson, Lefor, Roers Jones, Schneider, Vigesaa

Senators Bekkedahl, Dwyer, Hogue, Larson

1 A concurrent resolution directing the Legislative Management to consider studying the feasibility
2 and desirability of renovating and constructing an addition to the Liberty Memorial Building or
3 constructing a new building on the grounds of the state Capitol to serve as a new Supreme
4 Court building.

5 **WHEREAS**, the idea of housing the Supreme Court in a stand-alone building is not a new
6 concept; and

7 **WHEREAS**, since at least 1924, the plans for the Capitol grounds included a separate
8 "Temple of Justice" that would mirror the architectural design of the Liberty Memorial Building;
9 and

10 **WHEREAS**, as a result of the Supreme Court's expanding space needs, in 2015, then-
11 Governor Jack Dalrymple proposed appropriating \$40 million to repurpose the Liberty Memorial
12 Building into a Supreme Court building; and

13 **WHEREAS**, the 2015 proposal did not advance due to the rapid downturn in the economy
14 which occurred at that time; and

15 **WHEREAS**, locating the Supreme Court in the Liberty Memorial Building would be a
16 homecoming for the Court;

17 **NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF**
18 **NORTH DAKOTA, THE SENATE CONCURRING THEREIN:**

19 That the Legislative Management consider studying the feasibility and desirability of
20 renovating and constructing an addition to the Liberty Memorial Building or constructing a new
21 building on the grounds of the state Capitol to serve as a new Supreme Court building; and

22 **BE IT FURTHER RESOLVED**, the study include input from the Supreme Court and the
23 Office of Management and Budget; and

- 1 **BE IT FURTHER RESOLVED**, that the Legislative Management report its findings and
- 2 recommendations, together with any legislation required to implement the recommendations, to
- 3 the Sixty-ninth Legislative Assembly.
