3 - Bill and Fiscal Impact Summary

Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

Bill would provide 2 add'l state paid holidays. For regular, salaried employees, there would be no add'l cost to the state. For agencies with hourly employees or where additional compensation would be provided when staff are required to work a state holiday, there would be an add'l state expense.

4 - Fiscal Impact Sections Detail

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

Estimated amounts for the 2023-25 and 2025-27 biennium are based on state employees that would be required to work these two additional holidays. This does not include emergency events (e.g. snow events that would require DOT plows to be out). With the allotted time to prepare this fiscal note, not all agencies had time to respond.

5 - Revenues Detail

For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.
