Counties			
Cities			
School Districts			
Townships			

**3 - Bill and Fiscal Impact Summary**

*Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

Engrossed HB 1504 is related to an income tax credit for qualified brewers for barley purchases.

**4 - Fiscal Impact Sections Detail**

*Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 1 and Section 2 of engrossed HB 1504 creates a North Dakota barley tax credit for a brewer that produces beer and purchases more than 40% of the brewer's total annual barley purchases from a farmer or supplier in this state. The tax credit can be applied against the income tax liability and is equal to 5% of the cost of the barley purchased from a farmer or supplier in this state. The maximum credit allowed for each eligible brewer for the taxable year is \$50,000.

The credit cannot exceed the taxpayer's income tax liability. Any credit amount exceeding the income tax liability for the taxable year may not be claimed as a carryback or carryforward. The bill allows contributions made by a passthrough entity to qualify for the credit, for which the credit is passed through and claimed on the owner's income tax return.

Section 3 of engrossed HB 1504 makes this act effective for the first two taxable years beginning after 12/31/2022.

## **5 - Revenues Detail**

*For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

If enacted, sections 1 and 2 of engrossed HB 1504 may create a reduction in revenue to the general fund. The reduction in revenue is dependent on several undetermined factors. This includes the number of taxpayers who choose to claim the credit, the amount of barley purchased, and finally, what the taxpayers' liabilities are. Due to these factors, the Office of State Tax Commissioner is unable to provide a reliable estimate for this revenue reduction amount.

## **6 - Expenditures Detail**

*For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

## **7 - Appropriations Detail**

*For information shown under state fiscal effect in 1 or 2, please explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
