3 - Bill and Fiscal Impact Summary

Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

HB 1370 creates a sales tax exemption for sales of grain bins.

4 - Fiscal Impact Sections Detail

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

If enacted, HB 1370 will exclude grain bins, including the material or replacement parts used to construct or repair a grain bin from sales tax.

5 - Revenues Detail

For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

Excluding grain bins and the subsequent material to construct or repair a grain bin from sales tax will create a revenue reduction in both the state general fund and the state aid distribution fund. The Office of State Tax Commissioner was not able to quantify the number of grain bins created or repaired on an annual basis, nor the average cost for the grain bin creation or repair. Because these values were not able to be quantified, the fiscal impact of this bill cannot be determined.

6 - Expenditures Detail

For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

7 - Appropriations Detail

For information shown under state fiscal effect in 1 or 2, please explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.
