**3 - Bill and Fiscal Impact Summary**

*Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

Engrossed SB 2089 creates a clean natural gas capture and emissions reduction program and provides an appropriation.

**4 - Fiscal Impact Sections Detail**

*Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 1 of the measure creates the clean natural gas capture and emissions reduction program under the Industrial Commission. Administrative expenses to implement the program are estimated to equal \$200,000. This expense would cover the portion of salaries spent on administration and the program's share of grant management software.

Section 2 of the measure creates a clean natural gas capture and emissions reduction fund as a continuing appropriation to the industrial commission to effectuate the purposes of the bill.

Section 3 of the measure appropriates \$15,000,000 from the general fund to the clean natural gas capture and emissions reduction fund or as much as necessary for the purpose of providing grants necessary under section 54-17.6-01.1 for the biennium beginning July 1, 2023, and ending June 30, 2025.

## **5 - Revenues Detail**

*For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The bill has no direct revenue impact.

## **6 - Expenditures Detail**

*For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

Section 3 of the measure appropriates \$15,000,000 from the general fund as a transfer to the clean natural gas capture and emission reduction fund.

## **7 - Appropriations Detail**

*For information shown under state fiscal effect in 1 or 2, please explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*

Administrative expenses to implement the program are estimated to equal \$200,000. This expense would cover the portion of salaries spent on administration and the program's share of grant management software. The costs are special fund expenses and are not included in the executive budget.
