Other Sections in North Dakota University System Office - Budget No. 215

	<u>House Version</u>	<u>Senate Version</u>
Additional funds appropriation authority	Section 3 appropriates any additional other funds received by entities under the control of the State Board of Higher Education to the respective entities.	The Senate did not change this section.
MaSU Old Main renovation	Section 4 appropriates \$49,970,100 from SIIF for the renovation of Old Main at MaSU.	The Senate removed this section and provided funding for the project in Section 1.
Extraordinary repairs matching funds	Section 5 requires institutions to match state extraordinary repairs funding on a \$1 to \$1 basis using operations or other funding, except for UND and NDSU, which must match \$2 to \$1.	The Senate did not change this section.
Strategic investment and improvements fund	Section 6 identifies \$293,290,000 for various institution capital projects is from SIIF.	The Senate provided \$205,727,053 for various institution capital projects is from SIIF.
NDSU workforce education	Section 7 identifies \$4.8 million appropriated from the general fund to NDSU is for creating or expanding programs and enrollment initiatives to address workforce needs.	The Senate removed this section.
Support for single parents	Section 8 identifies \$4.5 million appropriated from the general fund to the University System office is for support for single mothers.	The Senate removed this section.
Severance agreement transfer	Section 9 provides for the transfer of \$367,000 from University System office carryover to NDSU for the cost of a severance agreement entered into with the previous President of NDSU. Section 19 provides for future severance agreements to be paid from the University System office budget, subject to Emergency Commission and Budget Section approval.	The Senate adjusted the source of funds for the transfer to provide \$300,000 from the general fund and \$67,000 from carryover. The Senate removed Section 19.
Dual-credit tuition scholarships	Section 10 provides for a transfer of \$1.5 million from Bank of North Dakota profits to the University System office for dual-credit tuition scholarships.	The Senate did not change this section.
Career builders	Sections 11 and 12 provide for transfers totaling \$15 million from Bank profits to the career builders program. Sections 23 through 25 amend language to continue and expand the program.	The Senate reduced the transfers to the Career Builders program to a total of \$6.8 million from Bank profits to provide an estimated \$10 million of unobligated funding for the program for the 2023-25 biennium.
Economic diversification research fund transfer		The Senate added a section to transfer \$10 million from SIIF to the economic diversification research fund.

Other Sections in North Dakota University System Office - Budget No. 215

	House Version	Senate Version
Capital building fund program	Sections 13 and 14 provide for the continuation of the capital building fund program, including a transfer of \$29 million from SIF to the University System capital building fund and the authorization to use money in the fund for new capital projects. Section 34 restricts the use of capital building fund money for deferred maintenance and extraordinary repairs projects to academic and student housing facilities.	The Senate adjusted the list of projects authorized to use funding from the university system capital building fund.
Capital projects requests - Restriction	Section 15 restricts the State Board of Higher Education from requesting state funds for capital projects from the 69th Legislative Assembly.	The Senate amended this section to remove the 4-year capital projects plan.
Project management oversight	Section 16 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.	The Senate did not change this section.
UND School of Medicine and Health Sciences funding	Section 17 authorizes the transfer of funds between UND and the UND School of Medicine and Health Sciences based on the recommendation of the Commissioner of Higher Education.	The Senate removed this section.
Economic diversification research fund		The Senate added a section to establish an economic diversification research fund.
Higher education trends - Report	Section 18 provides for the Chancellor of the University System to provide an annual report to the Budget Section regarding higher education trends.	The Senate amended this section to provide for an annual report to the Legislative Management instead of the Budget Section.
Academic program approval	Section 20 requires the State Board of Higher Education to approve institution requests for new academic programs within 30 days.	The Senate removed this section.
Disclosure of financial condition	Section 21 requires the State Board of Higher Education to provide a disclosure of financial condition to qualified applicants designated as finalists for the position of president.	The Senate did not change this section.
Campus policies and procedures	Section 22 provides the president of an institution may adopt policies, procedures, and directives for the institution without the approval of faculty and others through shared governance.	The Senate did not change this section.
Higher education challenge grants	Sections 26 through 28 adjust the higher education challenge grant statutory language and provide for the distribution of up to \$36 million of grant funds to eligible institutions. Section 38 eliminates the allocation of higher education challenge grant funds for the UND School of Law; however, funding would still be made available under the UND allocation. Section 38 also eliminates the definition of "projects dedicated exclusively to the advancement of academics" to allow the matching grants to be used as the donor and institution choose.	The Senate provided for the distribution of up to \$20 million of grant funds to eligible institutions. Restrictions on the use of state matching funds are restored by the Senate. A new section is added to designate funding for the NDSU main research center that can be used for the advancement of agricultural research and extension.
Workforce Development Council	Section 29 provides for the Workforce Development Council to replace the Workforce Education Advisory Council, which is eliminated in Section 38.	The Senate did not change this section.

Other Sections in North Dakota University System Office - Budget No. 215

	<u>House Version</u>	<u>Senate Version</u>
Capital project requests - Matching funds	Section 30 requires institutions to identify matching funds for future capital project requests for state funds.	The Senate did not change this section.
Higher education funding formula	Section 31 provides for all CTE credits to receive a weighting factor of 5 in the higher education funding formula. Section 32 adjusts the base credit-hour funding rates of the higher education funding formula. Section 33 restores the 96 percent minimum amount payable provision in the higher education funding formula.	The Senate did not change the weighting factor of 5.0 for CTE credits. The Senate adjusted the base credit-hour rates to reflect the 6%/4% salary increases. The Senate did not adjust the minimum amount payable provision.
Student financial assistance grants	Section 35 increases the maximum award amounts for the needs-based student financial assistance grant program from \$1,100 per semester to \$1,650 per semester. Section 46 declares Section 35 to be an emergency measure.	The Senate reduced the increase in the maximum award amount from \$1,650 per semester to \$1,375 per semester.
Digitization of Theodore Roosevelt documents	Section 36 removes the requirement for DSU to establish an endowment for the digitization of documents relating to Theodore Roosevelt.	The Senate did not change this section.
Carryover authority	Section 37 continues the authorization through July 31, 2025, for institutions under the control of the State Board of Higher Education to continue unexpended appropriations at the end of a biennium.	The Senate did not change this section.
Transfer authority	Section 39 provides that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets line item if the board determines that additional funds are needed for capital assets.	The Senate did not change this section.
FTE positions	Section 40 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.	The Senate did not change this section.
Capital building fund - Matching funds exemption	Section 41 provides an exemption to allow LRSC to use money in its capital building fund allocation for the wind turbine gear box replacement without providing matching funds.	The Senate adjusted this section to provide an exemption to allow multiple institutions to use money in their capital building fund allocations for projects.
Capital projects carryover	Sections 42 and 43 provide exemptions for institutions to continue appropriation authority for various capital projects.	The Senate clarified that funding for the UND Merrifield Hall project may also be used for Twamley Hall.
Tuition rate increase limitation	Section 44 provides for a tuition freeze, excluding certain high-cost programs which are limited to a tuition rate increase of 1 percent per year.	The Senate removed references to fees in this section.
Dental hygienist credits	Section 45 provides legislative intent that dental hygienist program courses be transferred to the CTE instructional program classification factor in the higher education funding formula.	The Senate added dental assistant program courses to this section.
