"SECTION 19. AMENDMENT. Section 54-17-40 of the North Dakota Century Code is amended and reenacted as follows:

54-17-40. Housing incentive fund - Continuing appropriation - Report to budget section.

1. The housing incentive fund is created as a special revolving fund at the Bank of North Dakota. The housing finance agency may direct disbursements from the fund and a continuing appropriation from the fund is provided for that purpose.
2.
 - a. After a public hearing, the housing finance agency shall create an annual allocation plan for the distribution of the fund as authorized under subsection 3. ~~At least ten percent of the fund must be used to assist developing communities to address an unmet housing need or alleviate a housing shortage. At least ten percent of the fund must be made available to prevent homelessness as authorized by subdivision d of subsection 3.~~
 - b. The annual allocation plan must give priority to provide housing for individuals and families of low or moderate income. For purposes of this priority, eligible income limits are determined as a percentage of median family income as published in the most recent federal register notice. Under this priority, the annual allocation plan must give preference to projects that benefit households with the lowest income and to projects that have rent restrictions at or below department of housing and urban development published federal fair market rents or department of housing and urban development section 8 payment standards.
 - c. At least ten percent of the fund must be used to assist developing communities to address an unmet housing need or alleviate a housing shortage.
3. The housing finance agency shall adopt guidelines for the fund so as to address unmet housing needs in this state. Assistance from the fund may be used solely for:
 - a. New construction, rehabilitation, preservation, or acquisition of a multifamily housing project;
 - b. New construction, rehabilitation, preservation, or acquisition of a single-family housing project in a developing community or a community land trust project;
 - c. Gap assistance, matching funds, and accessibility improvements;

- e.d. Assistance that does not exceed the amount necessary to qualify for a loan using underwriting standards acceptable for secondary market financing or to make the project feasible; and
 - d.e. Rental assistance, emergency assistance, barrier mitigation, or ~~targeted supportive services~~ designated to prevent or end homelessness.
4. Eligible recipients include units of local, state, and tribal government; local and tribal housing authorities; community action agencies; regional planning councils; and nonprofit organizations and for-profit developers of multifamily residential housing. Individuals may not receive direct assistance from the fund.
 5. Except for subdivision d of subsection 3, assistance is subject to repayment or recapture under the guidelines adopted by the housing finance agency. Any assistance that is repaid or recaptured must be deposited in the fund and is appropriated on a continuing basis for the purposes of this section.
 6. The agency may collect a reasonable administrative fee from the fund, project developers, applicants, or grant recipients. The origination fee assessed to grant recipients may not exceed five percent of the project award.
 7. Upon request, the housing finance agency shall report to the industrial commission regarding the activities of the housing incentive fund.
 8. At least once per biennium, the housing finance agency shall provide a report to the budget section of the legislative management regarding the activities of the housing incentive fund."

Page 12, line 26, replace "2025" with "2027"

Page 13, replace lines 16 through 30 with:

"SECTION 24. AMENDMENT. Subsection 3 of section 54-63.1-07 of the North Dakota Century Code is amended and reenacted as follows:

3. The Bank of North Dakota shall extend a line of credit to the industrial commission to support loans or loan guarantees issued from the clean sustainable energy fund. The line of credit may not exceed ~~two~~three hundred ~~fifty~~ninety million dollars, and the interest rate associated with the line of credit must be the prevailing interest rate charged to North Dakota governmental entities. The industrial commission shall repay the line of credit from moneys available in the clean sustainable energy fund derived from payments received on loans issued under this chapter or other sources. If the moneys available from the clean sustainable energy fund on June 30, 2025, are not sufficient to repay the line of credit, the industrial commission shall request from the legislative assembly a deficiency appropriation to repay the line of credit or the industrial commission may repay the line of credit from other funds, as appropriated by the legislative assembly.

SECTION 25. AMENDMENT. Subsection 36 of section 1 of chapter 550 of the 2021 Special Session Session Laws is amended and reenacted as follows:

36. There is appropriated from federal funds derived from the state fiscal recovery fund, not otherwise appropriated, the sum of \$20,000,000, or so much of the sum as may be necessary, to the industrial commission for the purpose of providing hydrogen development grants, as approved by the clean sustainable energy authority, and distributions to the state energy research center for an underground energy storage research project, for the period beginning with the effective date of this Act, and ending June 30, 2023. Of the \$20,000,000, up to \$5,300,000 is available for distributions to the state energy research center for an underground energy storage research project, and any remaining amounts are available for providing hydrogen development grants, as approved by the clean sustainable energy authority.

SECTION 26. EMPLOYEE RECRUITMENT AND RETENTION INCENTIVE PROGRAM STUDY - REPORT TO LEGISLATIVE MANAGEMENT. During the 2023-24 interim, the industrial commission and Bank of North Dakota shall study the feasibility and desirability of creating an employee recruitment and retention incentive program for the Bank of North Dakota. The industrial commission shall report its findings and recommendations to the legislative management by March 31, 2024."

Page 14, line 12, replace "\$14,500,000" with "\$17,500,000"

Page 14, line 22, after "grants" insert "and an underground energy storage research project"

Page 14, line 23, after "Laws" insert "as amended in section 25 of this Act"

Page 14, line 25, after "fund" insert "to the department of mineral resources for a survey review"

Page 14, after line 28, insert:

"SECTION 29. LEGISLATIVE INTENT - USE OF BANK OF NORTH DAKOTA PROFITS. It is the intent of the sixty-eighth legislative assembly that the sixty-ninth legislative assembly consider developing procedures or adopting legislative rules for introducing bills and amendments related to the use of Bank of North Dakota profits.

SECTION 30. LEGISLATIVE INTENT - ENERGY DEVELOPMENT PROJECTS. It is the intent of the sixty-eighth legislative assembly that the state provide support for an entity's application for federal funding to upgrade a high-voltage direct current transmission line in the state and that the state provide support for energy development projects in the state through the state's energy-related programs, including:

1. The clean sustainable energy authority;
2. The North Dakota pipeline authority;
3. The North Dakota transmission authority;
4. The lignite research council;
5. The oil and gas research council; and
6. The renewable energy council.

SECTION 31. EFFECTIVE DATE. Section 18 of this Act is effective July 1, 2025."

Page 15, line 12, replace "Section 5" with "Sections 5 and 25"

Page 15, line 13, replace "Section 23 of this Act" with "Senate Bill No. 2165, as approved by the sixty-eighth legislative assembly"

¹ Salaries and wages funding is adjusted for 2023-25 biennium salary increases of 6 percent on July 1, 2023, and 4 percent on July 1, 2024, and for adjustments to health insurance premium rates, the same as the Senate, as follows:

	General Fund	Other Funds	Total
Salary increase	\$0	\$35,332	\$35,332
Health insurance adjustment	0	(946)	(946)
Total	\$0	\$34,386	\$34,386

The House provided salary adjustments of 4 percent on July 1, 2023, and 4 percent on July 1, 2024.

² Funding from other funds for an administrative assistant position is decreased by \$118,622 from \$300,943 to \$182,321, the same as the Senate. The \$118,622 decrease reflects a decrease of \$121,985 to salaries and wages and an increase of \$3,363 to operating expenses. This provides the same level of funding as a grant administration position. The House provided \$300,943 for the administrative assistant position.

³ Funding for new FTE positions and estimated savings from vacant FTE positions is removed as shown below, the same as the Senate. These amounts are available to the agency if needed by submitting a request to the Office of Management and Budget for a transfer from the new and vacant FTE funding pool.

	General Fund	Other Funds	Total
New FTE positions	\$0	(\$490,562)	(\$490,562)
Vacant FTE positions	0	(30,381)	(30,381)
Total	\$0	(\$520,943)	(\$520,943)

The House did not remove funding for a new and vacant FTE funding pool.

⁴ Funding of \$74,000 from other funds is added for software related to a meeting management license and an accounting subscription, the same as the Senate. The House did not include this funding.

⁵ One-time funding, which was not included by the House version, is added by the Conference Committee and Senate as follows:

- \$75,000 from other funds for a records digitization project.
- \$35,688 from other funds for inflationary increases related to rent.
- \$300,000 from other funds for carbon capture and utilization education and marketing, including \$100,000 from the lignite research fund, \$100,000 from the oil and gas research fund, and \$100,000 from the renewable energy development fund.

One-time funding, which was added in the House version, is removed by the Conference Committee and Senate as follows:

- \$25 million from the strategic investment and improvements fund for a transmission line grant.

This amendment also includes the following changes related to the Industrial Commission:

- Adjusts the transfer for administrative services to provide \$1,818,114, the same as the Senate. The House provided for a transfer of \$1,899,877.
- Includes a transfer of up to \$100,000 from three energy programs, which was added by the Senate, to provide a total of \$300,000 for carbon capture and utilization education and marketing. The House did not include this funding.
- Adjusts the funding for a pipeline leak detection and prevention program to provide \$3 million from the strategic investment and improvements fund, the same as the Senate. The House provided \$5 million from legacy fund earnings.
- Adjusts the funding for the clean sustainable energy fund to provide \$30 million from the strategic investment and improvements fund to repay a line of credit and to increase the line of credit available to support the fund by \$140 million, from \$250 million to \$390 million. The House provided \$300 million from legacy fund earnings, including \$50 million for grants and \$250 million to repay a line of credit and for additional loans. The Senate provided \$30 million from the strategic investment and improvements fund for grants.
- Decreases funding from the strategic investment and improvements fund for a critical minerals study to provide \$1.5 million. The Senate also decreased this funding, but the House provided \$3 million for the study.
- Adjusts the funding for an underground energy storage research project to provide \$6 million from the strategic investment and improvements fund and \$5.3 million from the federal State Fiscal Recovery Fund. An appropriation of \$20 million from the federal State Fiscal Recovery Fund from the November 2021 special legislative session is amended to provide up to \$5.3 million for the research project with the remaining amount available for hydrogen development grants. The Senate also included these adjustments, but the House provided \$22 million from the strategic investment and improvements fund for the research project.
- Designates \$500,000 from the lignite research fund for a study of future lignite electrical generation facilities, the same as the Senate. The House did not designate funding for this study.
- Provides an effective date of July 1, 2025, for a guarantee from the strategic investment and improvements fund for a line of credit related to the purchase of capacity positions on a pipeline, the same as the Senate. The House added the guarantee and line of credit, but did not include an effective date.
- Provides an emergency clause for Senate Bill No. 2165, relating to membership of the clean sustainable energy authority, which was added by the Senate. The House did not include an emergency clause for that bill.
- Adds a statement of legislative intent regarding the state's energy-related programs to support energy development projects. Neither the House nor the Senate included this statement of intent.
