To Whom It May Concern,

I am writing to urge you to vote YES on SCR 4014 to support humane, scientifically recommended methods of managing wild horses on the public lands that have always been their home.

In addition to being an integral part of the ecosystem of the park, the Teddy Roosevelt Park wild horses support tourism in North Dakota. I for one would not spend my dollars in North Dakota if the horses are removed. I am not the only one for whom the preservation of wild horses is an important issue. SCR 4014 is consistent with the wishes of **80 percent of Americans** who want wild horses protected.

Please do the right thing and protect these majestic animals from extinction.

Sincerely,

H. Ashley Hager
