Subject: SB 2281 - Gaming Technology Fund

Representative Nathe,
I believe you asked for a listing of what uses the Gaming Technology Fund would provide. I look forward to our meeting this morning at 10:00 am.
These are possibilities:

Potential ongoing maintenance items:
Enhancements to current technology
Changes to policy/law/practices that require fixes or changes to the current systems
Production issues/fixes
Process enhancements and efficiencies that maybe identified that will require technology additions or improvements
