1 Does not include \$159,000 (EARP & Sunflower Council funds) appropriated for blackbird research.						
2 Legislature transferred \$300,000 general funds to Game and Fish to replace Game and Fish funds going to the BOAH (\$199,461) and some of the Wildlife Services funding (\$100,539).						
3 The Department submitted an optional budget request for \$200,000 general funds to offset increased aerial costs.
