"SECTION 11. NEW AND VACANT FTE FUNDING POOL - GUIDELINES - EXEMPTION - TRANSFER OF APPROPRIATION AUTHORITY - BUDGET SECTION REPORT.

1. The new and vacant FTE funding pool line item in section 1 of this Act includes \$60,000,000 from the general fund and \$70,000,000 from special funds derived from federal funds and other income for the purpose of providing funding for hiring new full-time equivalent positions and for agencies that do not realize sufficient savings from vacant full-time equivalent positions in accordance with provisions of this section for the biennium beginning July 1, 2023, and ending June 30, 2025.
2. An executive branch state agency that had funding removed by the sixty-eighth legislative assembly for purposes of the new and vacant full-time equivalent funding pool may submit a request to the office of management and budget for an allocation of funding from the pool:
 - a. To provide funding for the salaries and wages necessary for the 2023-25 biennium for a new full-time equivalent position authorized by the 2023 legislative assembly from the date of hiring through the end of the biennium;
 - b. To provide funding for the salaries and wages necessary for the 2023-25 biennium for filling a full-time equivalent position that was vacant on July 1, 2023, from the date of hiring through the end of the biennium; or
 - c. After March 1, 2025, for salaries and wages funding necessary for the 2023-25 biennium if actual salaries and wages savings from vacant positions adjusted for other salaries and wages uses are less than the estimate used by the sixty-eighth legislative assembly in the development of the agency's appropriation.
3. The office of management and budget may transfer of general fund appropriation authority from the pool to an agency only upon the agency certifying to the office of management and budget that special funds from

federal or other sources are not available for the salaries and wages of the full-time equivalent position.

4. An agency may not receive more funding from the pool than the amount that was removed from the agency budget for new and vacant full-time equivalent positions as contained in the statement of purpose of amendment of bills approved by the sixty-eighth legislative assembly as printed in the house and senate journals.
5. Notwithstanding any other provision of law, the office of management and budget shall transfer appropriation authority from the new and vacant full-time equivalent funding pool to eligible executive branch state agencies:
 - a. Within fifteen days of receiving an agency request for the hiring of a new full-time equivalent position authorized by the sixty-eighth legislative assembly, along with documentation of the salaries and wages necessary for the position for the remainder of the biennium, limited to the amount identified for the position in the statement of purpose of amendment;
 - b. Within fifteen days of receiving an agency request for filling a full-time equivalent position that was vacant on July 1, 2023, along with documentation verifying that funding available for salaries and wages within the agency's budget is insufficient to provide funding for the position for the remainder of the biennium; or
 - c. Within thirty days of receiving an agency request, along with documentation verifying that actual salaries and wages savings from vacant positions through February 2025 and estimates for the remainder of the biennium adjusted for other salaries and wages uses are less than the estimate used by the sixty-eighth legislative assembly in the development of the agency's appropriation.
6. For the purpose of determining salaries and wages amounts under section 54-27-10, the office of management and budget shall consider the amounts removed from the agency budget for new and vacant full-time equivalent positions as contained in the statement of purpose of amendment of bills approved by the sixty-eighth legislative assembly as part of the appropriation for salaries and wages.
7. If funding in the new and vacant full-time equivalent funding pool is insufficient to provide the necessary salaries and wages funding for the biennium, the office of management and budget shall request a deficiency appropriation from the sixty-ninth legislative assembly. Any funding remaining in the funding pool at the end of the biennium must be canceled in accordance with the provisions of section 54-44.1-11.
8. The office of management of budget shall report to each meeting of the budget section regarding salaries and wages and vacant position information and use of funding in the pool including:
 - a. The number of agency requests submitted, amounts transferred from the pool, and information on:
 - (1) New full-time equivalent positions, including the date hired; and

- (2) Vacant full-time equivalent positions, including dates the positions were vacated and filled;
- b. Salaries and wages savings to date resulting from vacant positions by agency; and
- c. Each agency's use of salaries and wages funding, including amounts spent for accrued leave payouts, salary increases in addition to general salary increases provided by the sixty-eighth legislative assembly, bonuses, incentive or location pay adjustments, reclassifications, funding used for temporary salaries or overtime in excess of amounts provided by the sixty-eighth legislative assembly, or other purposes."
