

SB 2012  
House Appropriations Committee  
Representative Vigesaa, Chairman  
Behavioral Health Division | March 2, 2023

1

---

---

---

---

---

---

---

---

### What is Behavioral Health?

A state of mental/emotional being and/or choices and actions that affect WELLNESS.

- Preventing and treating depression and anxiety
- Preventing and treating substance use disorder or other addictions
- Supporting recovery
- Creating healthy communities
- Promoting overall well-being

2

---

---

---

---

---

---

---

---

## Behavioral Health is Health!

3

---

---

---

---

---

---

---

---

### Mental Health and Physical Health is Fundamentally Linked.

The average lifespan for individuals with serious mental illness is 25-30 years less than the general public.

Individuals with depression have a 40% higher risk of developing heart diseases than the general population.

State of North Dakota | Health & Human Services

4

---

---

---

---

---

---

---

---

### Behavioral Health in North Dakota

Research shows the importance of using data to guide effective and targeted behavioral health efforts.

Find the 2023 Behavioral Health in North Dakota Data Book and other resources at [www.hhs.nd.gov/behavioral-health/data](http://www.hhs.nd.gov/behavioral-health/data).

### Implementation Summary

After learning from the community about their priorities for systems change, the Behavioral Health Planning Council selected 13 aims with 28 goals.

Objectives	Complete or in Progress and On Track
1. Develop and implement a comprehensive strategic plan	91%
2. Invest in prevention and early intervention	66%
3. Ensure all North Dakotans have timely access to behavioral health services	61%
4. Expand outpatient and community-based service array	92%
5. Enhance and streamline system of care for children and youth	47%
6. Continue to implement and refine the current criminal justice strategy	73%
7. Engage in targeted efforts to recruit and retain a qualified and competent behavioral health workforce	92%
8. Continue to expand the use of telebehavioral health interventions	82%
9. Ensure the system reflects its values of person-centeredness, health equity, and trauma-informed approaches	76%
10. Encourage and support communities to share responsibility with the state for promoting equitable behavioral health services	100%
11. Partner with tribal nations to increase health equity for American Indian populations	78%
12. Diversify and enhance funding for behavioral health	100%
13. Conduct ongoing, systemwide, data-driven monitoring of need and access	80%

### The Behavioral Health Division - Policy Team Responsibilities

NDCC 50-06-01.43 and NDCC 50-31

- Reviewing and identifying service needs and activities in the state's behavioral health system in an effort to:
  - ensure health and safety,
  - access to services, and
  - quality services.
- Establishing quality assurance standards for the licensure of substance use disorder program services and facilities
- Providing policy leadership in partnership with public and private entities

Dakota Health & Human Services

23

---

---

---

---

---

---

---

---

### We want to see:

Individuals, families and communities with positive behavioral health.

Individuals struggling with behavioral health conditions achieve independence and live a self-directed life in recovery.

Dakota Health & Human Services

24

---

---

---

---

---

---

---

---

**We achieve this by:**

Supporting the Full Continuum of Care

Increasing Community-Based Services

Preventing Criminal Justice Involvement for Individuals with a Behavioral Health Condition

Dakota | Health & Human Services

25

---

---

---

---

---

---

---

**FREE THROUGH**  
*Recovery*

Free Through Recovery is a community based behavioral health program designed to increase recovery support services to individuals involved with the criminal justice system who have behavioral health concerns.

The mission of Free Through Recovery is to:

- improve healthcare outcomes
- reduce recidivism

**4,973** participants since February 2017

**1,311** active participants

**38** providers

Overall, from March 2018 through October 2022, **68%** of the time participants achieved 3 of 4 outcomes.

### Treatment Services 78% of clients with Severe and Extreme Impairments

For these individuals at the beginning of care:

- 28% were homeless
- 3% were residing in correctional facility
- 12% lived with parents
- 4% were in residential/transitional living

For these individuals in last 30 days:

- 5% arrested
- 12% no show
- 3.30 average hours of service
- 85% of crisis residential admissions

Dakota | Health & Human Services

47

---

### Statewide 988 (211) Crisis Call Center: Best Practice Anchors

*Purpose: Real-time access to a live person every moment of every day for individuals in crisis.*

Operate every moment of every day (24/7/365)	Answer every call or message with live coverage with a resource that is a member of the minimum crisis call center expectations	Assess risk of suicide in a manner that meets NAMI standards and adapts to other options for care
Build safe connections to follow-up care services	Connect individuals to facility-based care through warm hand-offs and coordinating transportation as needed	Incorporate Call ID functionality
	Implement real-time GPS technology in partnership with the region's mobile crisis teams	

Legend: Full Implementation (blue), Partial Implementation (orange), Not Implemented (red)

Dakota | Health & Human Services  
SAMHSA Best Practice Tool Kit, 2020

53

---

---

---

---

---

---

---

---

### Mobile Crisis: Best Practice Anchors

*Purpose: Offering community-based interventions to individuals in need where they are at.*

Include a licensed and/or credentialed clinician capable of assessment *	Respond where the person is (home, work, park, etc.) and not restrict services to select locations	Connect individuals to facility-based care through warm hand-offs and coordinating transportation as needed
Incorporate peers within the mobile crisis team *	Respond without law enforcement, unless there is a specific circumstance/warrant situation	Implement real-time GPS technology in partnership with the region's crisis call center hub
	Schedule outpatient follow-up appointments to support connection to ongoing care	

Legend: Full Implementation (blue), Partial Implementation (orange), Not Implemented (red)

\* Included in Crisis Enhancement Funding Cycle

### Pathway to Certified Community Behavioral Health Clinics (CCBHCs)

**National Accreditation**

Obtained 4-year accreditation on October 8<sup>th</sup>, 2020, through Council on Accreditation  
Met Maintenance of Accreditation compliance checks for 2021 and 2022

**Certified Community Behavioral Health Clinics**

Spring of 2022 applied for SAMHA 4-year demonstration grant for 3 human service centers (not awarded)  
December of 2022 applied for SAMHA implementation grant (waiting on notice of award)  
Current SB 2012 would require 3 HSCs to become CCBHCs

**Dakota** | Health & Human Services

59

---

---

---

---

---

---

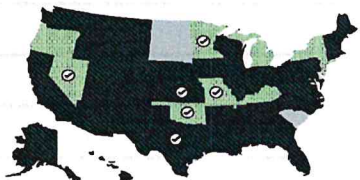

---

---

### Certified Community Behavioral Health Clinics

**CCBHCs Across the United States**

Currently, there are over 450 CCBHCs operating across the country, as other CCBHC providers are participating in their states' Medicaid demonstration.

**Dakota** | Health & Human Services

60

### Certified Community Behavioral Health Clinics - Enhancements

#### CCBHC Demonstration/PPS: Driving Value

**CCBHC Demo**

- Certification = standardized core requirements
- PPS = Medicaid reimbursement that supports costs associated with expanded access & enhanced operations

**Enhanced Operations**

- Expansion of service lines (e.g., crisis response, SUD treatment)
- Ability to hire and retain specialty providers (e.g., child psychiatrists, MAT prescribers)
- Same-day access to care
- High-impact, flexible staffing models targeted to patient need
- Technology adoption, electronic health info exchange
- Data tracking & analytics
- Collaboration/coordination with law enforcement, schools, others
- Population health management, data-driven care

**Improved Outcomes**

- 25% more clients served on average
- Elimination of waitlists
- Reduced hospitalizations, ED visits
- Reduced incarceration, recidivism
- Improved physical health

*TheNationalKiosk.org*

62

---

---

---

---

---

---

---

---

---

---

### Continued progress requires addressing team member retention

Data shows a rising vacancy rate corresponding with timeline of serving a more complex and severe patient population.

#### Vacancy Rate

Year	Vacancy Rate
2015	6%
2020	7%
2022	17%

*Delata Health & Human Services*
