

Justin Knott
12897 17th ST SE
Legislative District # 24

Chairman Elkin and Members of the Senate Education Committee,

I am writing to you as a constituent, businessperson in rural Barnes county and father of 3 children in the Hope-Page school district. Please support Senate Bill 2328 to keep rural school districts like Hope-Page viable. So we can keep hiring and attracting talent to live in rural ND.

Justin Knott

A handwritten signature in black ink, appearing to read "Justin Knott". The signature is written in a cursive, flowing style with some stylized flourishes.
