Chairman Etkin, and members of the
Senate Education Committee:

I am writing today to let you know
that I am in support of Senate Bill 2328
Hopefully this bill will help our
school district remain viable and in control
of our future. Our students deserve to
be educated in the best ways possible.

I have been involved with our schools
since graduating in 1965. My children and
grandchildren have also attended this school.

It has been a privilege to have been
educated & involved in this school for
the last 50+ years.
