*My name is Cionda N Holter and I reside in District 3. I am asking that you please render a DO PASS on House Bill 1297.*

*There should be a record of your birth gender, no matter how many surgeries a person has or how many hormones a person takes. You can not change the complete biology of a man or a woman. A person's sex is integrated in every fiber of their being. For medical and moral issues a person's birth sex should be recorded.*

*Thank you for your consideration of this important matter and for your service to the state of North Dakota.*

*Thank You,*

*Cionda N Holter*
