

**Do Pass Testimony  
of Doug Sharbono, citizen of North Dakota  
on HB1301  
in the Sixty-eighth Legislative Assembly of North Dakota**

Dear Chairman Weisz and members of the House Human services Committee,

I am writing as a citizen and believe HB1301 is beneficial legislation. This seems common sense to wait on what are called “gender affirming cares” when they are a minor. Consider this absolute tragedy and what appears to be a lack of medical care and likely malpractice in “gender affirming cares”. Please give HB1301 a Do Pass.

Thank you,
