

"My name is Lisa Pulkrabek and I reside in District 31. I am asking that you please render a DO PASS on HB 1489.

Women are women and men are men. A man can take 100 hormone shots, grow his hair out, wear a dress, put on lipstick and change his name but he will always be a man. This is a fact of biology. Allowing men to compete with women in sports in college gives an unfair advantage to the male and puts the women at risk of injury.

Individuals who have gender dysphoria need a psychologist and therapy just like a person suffering from anorexia does. They don't need for the world to bow to their every whim and accommodate their confused state of mind by allowing them to play sports with the opposite sex.

I urge you to support the passing of House Bill 1489.

Thank you for your consideration of this important matter and for your service to the state of North Dakota.
