

**Do Pass Testimony
of Doug Sharbono, citizen of North Dakota
on HB1502
in the Sixty-eighth Legislative Assembly of North Dakota**

Dear Chairman Weisz and members of the House Human Services Committee,

I am writing as a citizen and believe HB1502 is beneficial legislation. This legislation expands individual freedom. I am aware of people awaiting transplants, who conscientiously objected to the Covid vaccination, be denied their transplant until they received the vaccination. This is medically unethical, particularly with the poor efficacy rates and unknown risks not clinically ruled out due to experimental status.

Please give HB1502 a Do Pass.

Thank you,

Doug Sharbono
