

OPINION ON 2023 HOUSE BILLS

CRAIG ROE—ND CWL INSTRUCTOR/ BCI ND, FFL Holder

General opinion on all House bills 2023 regarding firearms rights. As the wording of the US Constitution states, The right to keep and bear arms shall not be infringed, it seems they are still, in many cases, being infringed at the Federal level and here in our own state of ND. The Second Amendment does not give the right to keep and bear arms, it restricts the government from infringing on the rights we naturally have. Any and all restrictions should be unconstitutional.

As pertains to our state of ND and the upcoming specific bills;

HB 1339—I agree that anyone who can legally enter the state and is not disqualified from owning firearms should have the right to bear those arms in the state. To own said firearms means that in most cases they have gone through background checks and that alone should give the right to bear arms anywhere in the US as long as state rules that are in place are followed. I would urge passage of HB 1339

HB 1340 – It seems some cities in ND feel they can restrict citizens on certain gun rights at their discretion. ND Century Code 62.1-01-03 Limitation on authority of political subdivision
