RE: Correction in Previous Testimony Support Letter for SB 2229 Document No. 23270

Chairman Longmuir and Members of the House Political Subdivisions Committee,

As I re-read my submission this morning, I realized I'd made an error in my previous lengthy testimony (Document No. 23270).

I had stated that *"today, March 9th, 2023, I have a suitcase in my car at work here in Fargo packed with everything I need to go curl for the weekend up in Grafton... We've got the 7:30 PM draw tonight..."*, when in fact I won't be in that particular scenario until this time tomorrow.

At 7:30 PM tonight I'll instead be on the ice with my mixed team as I have been most Thursday evenings November to April the last 5+ years. I think I was mentally a day ahead looking forward to leaving work on Friday afternoon to head up North.

It's been a few years since Grafton has had a bonspiel large enough to demand a Thursday start time, but I'll welcome the Fridays off when they reach that level of engagement again in the near future.

Apologies for my error and as always,

Good Curling,
