4. Eligible recipients include units of local, state, and tribal government; local and tribal housing authorities; community action agencies; regional planning councils; and nonprofit organizations and for-profit developers of

multifamily residential housing. Individuals may not receive direct assistance from the fund.

5. Except for subdivision d of subsection 3, assistance is subject to repayment or recapture under the guidelines adopted by the housing finance agency. Any assistance that is repaid or recaptured must be deposited in the fund and is appropriated on a continuing basis for the purposes of this section.
6. The agency may collect a reasonable administrative fee from the fund, project developers, applicants, or grant recipients. The origination fee assessed to grant recipients may not exceed five percent of the project award.
7. Upon request, the housing finance agency shall report to the industrial commission regarding the activities of the housing incentive fund.

¹ Salaries and wages funding is adjusted for 2023-25 biennium salary increases of 6 percent on July 1, 2023, and 4 percent on July 1, 2024, and for adjustments to health insurance premium rates as follows:

	General Fund	Other Funds	Total
Salary increase	\$0	\$35,332	\$35,332
Health insurance adjustment	0	(946)	(946)
Total	\$0	\$34,386	\$34,386

The House provided salary adjustments of 4 percent on July 1, 2023, and 4 percent on July 1, 2024.

² Funding from other funds for an administrative assistant position is decreased by \$118,622 from \$300,943 to \$182,321. The \$118,622 decrease reflects a decrease of \$121,985 to salaries and wages and an increase of \$3,363 to operating expenses. This provides the same level of funding as a grant administration position. The House provided \$300,943 for the administrative assistant position.

³ Funding for new FTE positions and estimated savings from vacant FTE positions is removed as shown below. These amounts are available to the agency if needed by submitting a request to the Office of Management and Budget for a transfer from the new and vacant FTE funding pool.

The House did not remove funding for a new and vacant FTE funding pool.

⁴ Funding of \$74,000 from other funds is added for software related to a meeting management license and an accounting subscription.

⁵ One-time funding, which was not included by the House, is added as follows:

- \$75,000 from other funds for a records digitization project.
- \$35,688 from other funds for inflationary increases related to rent.
- \$300,000 from other funds for carbon capture and utilization education and marketing, including \$100,000 from the lignite research fund, \$100,000 from the oil and gas research fund, and \$100,000 from the renewable energy development fund.

One-time funding, which was added by the House, is removed as follows:

- \$25 million from the strategic investment and improvements fund for a transmission line grant.

- investment and improvements fund. The House provided \$5 million from legacy fund earnings.
- Adjusts the funding for the clean sustainable energy fund to provide \$30 million from the strategic investment and improvements fund for grants. The House provided \$300 million from legacy fund earnings, including \$50 million for grants and \$250 million to repay a line of credit and for additional loans.
- Decreases funding from the strategic investment and improvements fund for a critical minerals study to provide \$1.5 million. The House provided \$3 million for the study.
- Adjusts the funding for an underground energy storage research project to provide \$6 million from the strategic investment and improvements fund and \$5.3 million from the federal State Fiscal Recovery Fund. An appropriation of \$20 million from the federal State Fiscal Recovery Fund from the November 2021 special legislative session is amended to provide up to \$5.3 million for the research project with the remaining amount available for hydrogen development grants. The House provided \$22 million from the strategic investment and improvements fund for the research project.
