

1 SB 2099 – Information Regarding Minors in Disciplinary Records.

2 Chairman Elkin, members of the committee. For the record my name is Kevin Hoherz. I am a
3 legislative specialist for the North Dakota Council of Educational Leaders, working with all our
4 educational leaders in the state – including school administrators and directors.

5 This bill helps align information regarding minors in disciplinary records for the education
6 standards and practice board with the Federal law of Family Educational Rights and Privacy Act
7 (FERPA).

8 Redacting student information is a current practice implemented by school districts based on
9 FERPA. This bill solidifies current practice.

10 We ask that you consider this information and promote the positive passing of this bill.
