

HB 1530 – Fiscal Estimate – Coverage of Applied Behavioral Analysis (ABA) Services for Adults with Autism

	General	Federal	Total
Traditional Medicaid	\$1,284,327	\$1,448,283	\$2,732,610

Assumptions

- Traditional Medicaid – 451 unique adult members with autism would use the service in a biennium.
- Medicaid Expansion already covers ABA for adults with autism.
