

I Arielle Neumann, private citizen and resident of Grand Forks AFB ND District 42 recommend a DO PASS for HB 1171.

This would protect women from forced abortions by making it a Class C Felony. This would protect women who do not want an abortion but are being forced to by a family member, friend, or the father of the child. This bill would protect life at all stages from conception to birth, and the expectant mother.

Sincerely,

*Arielle Neumann*
